Welcome Back to all our pupils!

Everyone has settled in very well, particularly our lovely new Primary 1s. We wish our P7 leavers all the best in their new schools.

## Covid Information (from NI Direct)

If a child or young person has a positive COVID-19 test result, they should stay at home and avoid contact with other people for three days after the day they took the test or from the day their symptoms started (whichever was earliest).

After three days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is lower. This is because children and young people tend to be infectious to other people for less time than adults.

## Maths Week 15-23 October

The school are looking forward to participating in Maths Week this year.

## Opening Mass

Well done to all our readers and singers who performed so well at our Opening Mass.

They prepared so well and spoke and sang so confidently. Thank you to Mrs Mooney, Miss Quigley and Maeve for their help. Thank you to Fr. Micheál for celebrating the mass.

Thank you to those who attended the P4&7 Sacramental Meeting last Monday evening.

## Shared Education

All our classes will be embarking again this year on their Shared Education Projects with Drumrane P.S. & St. Mary's Gortnahey. We are delighted that the classes will be going out on shared trips to met and make new friends! Some classes have already started on their joint programmes.

## St Joseph & St Mary's SVP Banagher

# School Dinners

Working with the 3 Primary Schools in the Parish, SVP can support families this winter by covering, either in full or partially, the cost of School Dinners.

Some families who are not eligible for Free School Dinners may wish to avail of this support for a number of weeks to ease the burden of winter financial pressures.

A letter was sent out to each family in the school. Please return the reply slip, **in confidence**, either to your primary school, to any member of SVP, or ring our confidential helpline 07593 954973 and a member of SVP will contact you.

## Google Classroom

Please remember to log on regularly. A Google classroom is being set up for each class. The teacher will be communicating with parents & setting homeworks through G.C. If you have difficulties please ring the school.

## Engage Funding

We delighted to have received Engage Funding from the Dept. of Education. This will be used to employ a teacher for 1 to 2 days per week to target the Primary 6&7 class. We are happy to have Miss Quigley with us again who will be working with Mrs Mooney in the P6&7 class.
