Dear Parent/Carer

An email was sent out to all parents regarding arrangements for the collecting of school reports on 25th June. It has become evident that some emails were not received successfully- so apologies for those of you who didn't see my letter.

The alternative plan for anyone who didn't come into school is as follows:

- Report will be posted to your home address.
- Belongings can be collected at the event on 20th August (or at an alternative date after this which can be arranged.)

*Please save **Thursday 20th August** as a date in your diary.*

All being well, and depending on the situation at the time allowing, we are planning to hold a special event for the children who are leaving us.

On this day we intend for your child to have the opportunity to have a graduation photograph taken, complete a tile for our memory wall, collect their Graduation pack and see their teacher and nursery assistant before going off to P1! (The Graduation pack will include; a specially designed whole class photo, graduation medal and certificate and leaving gift.)

Further information will be sent out to you during the holidays, so please look out for an email. There will also be details posted on our school website and Facebook page. (Children who are returning to us for their pre school year will not attend this event)

Sincere thanks to you all for your support at this challenging time.

Kindest Regards

Mrs Corry
