This is the Duck driving home in a truck.

This is the track which is taking him back.

This is the rock struck by the truck

and this is the muck

where the truck becomes stuck.

These are the feet which  
jump the Duck down

into the muck  
all yucky and brown.

This is the frog who  
spies from the bush

and croaks, "I'll help you  
give it a push!"

This is the push of a Frog

and a Duck...

And this is the truck still stuck.

This is a sheep driving home in a jeep.

"Get out of the way," he yells with a beep.

**QUACK**

This is the quack of an angry Duck.  
"I can't," he snaps, "my truck is stuck."

This is the  
quiet...

...as they think  
what to do.

"Got it!" croaks Frog,  
Sheep can push too."

This is the slurp

and squelch

and suck

as the Sheep steps slowly through the muck.

This is the push of a Sheep, a Frog

and a Duck

and this is the truck... still stuck.

This is the happy sleepy Goat  
relaxing on his motorboat.

This is the ear that  
hears the shout,

“My truck’s in the muck  
and it won’t come out!”

This is the rope  
and here's the Goat's plan,

to tie a knot  
as tight as they can.

This is the push at the rear once again.

This is the pull as the boat takes the strain.

These are  
the wheels

finally  
gripping.

This is  
the knot

suddenly  
slipping.

This is the truck with the engine on fast

back on the track...

UNSTUCK AT LAST!

This is the Duck driving home in the truck

leaving the Frog, the Sheep and the Goat...

STUCK IN THE MUCK!

This is the tale of a duck in a truck –  
a truck that was stuck in some yucky brown muck.  
A sheep in a jeep and a frog in a bush  
saw the truck stuck and gave it a push.  
But the truck stayed stuck!  
What now, can you guess?  
Could a goat in a boat  
get them out of this mess?

*'Duck in the Truck is packed with all the rhyme, colour,  
imagination and humour a young reader could ask for.'*
