This is the Duck driving home in a truck.

This is the track which is taking him back.

This is the rock struck by the truck

and this is
the muck

where the truck becomes stuck.

These are the feet which
jump the Duck down

into the muck
all yucky and brown.

This is the frog who
spies from the bush

and croaks, "I'll help you
give it a push!"

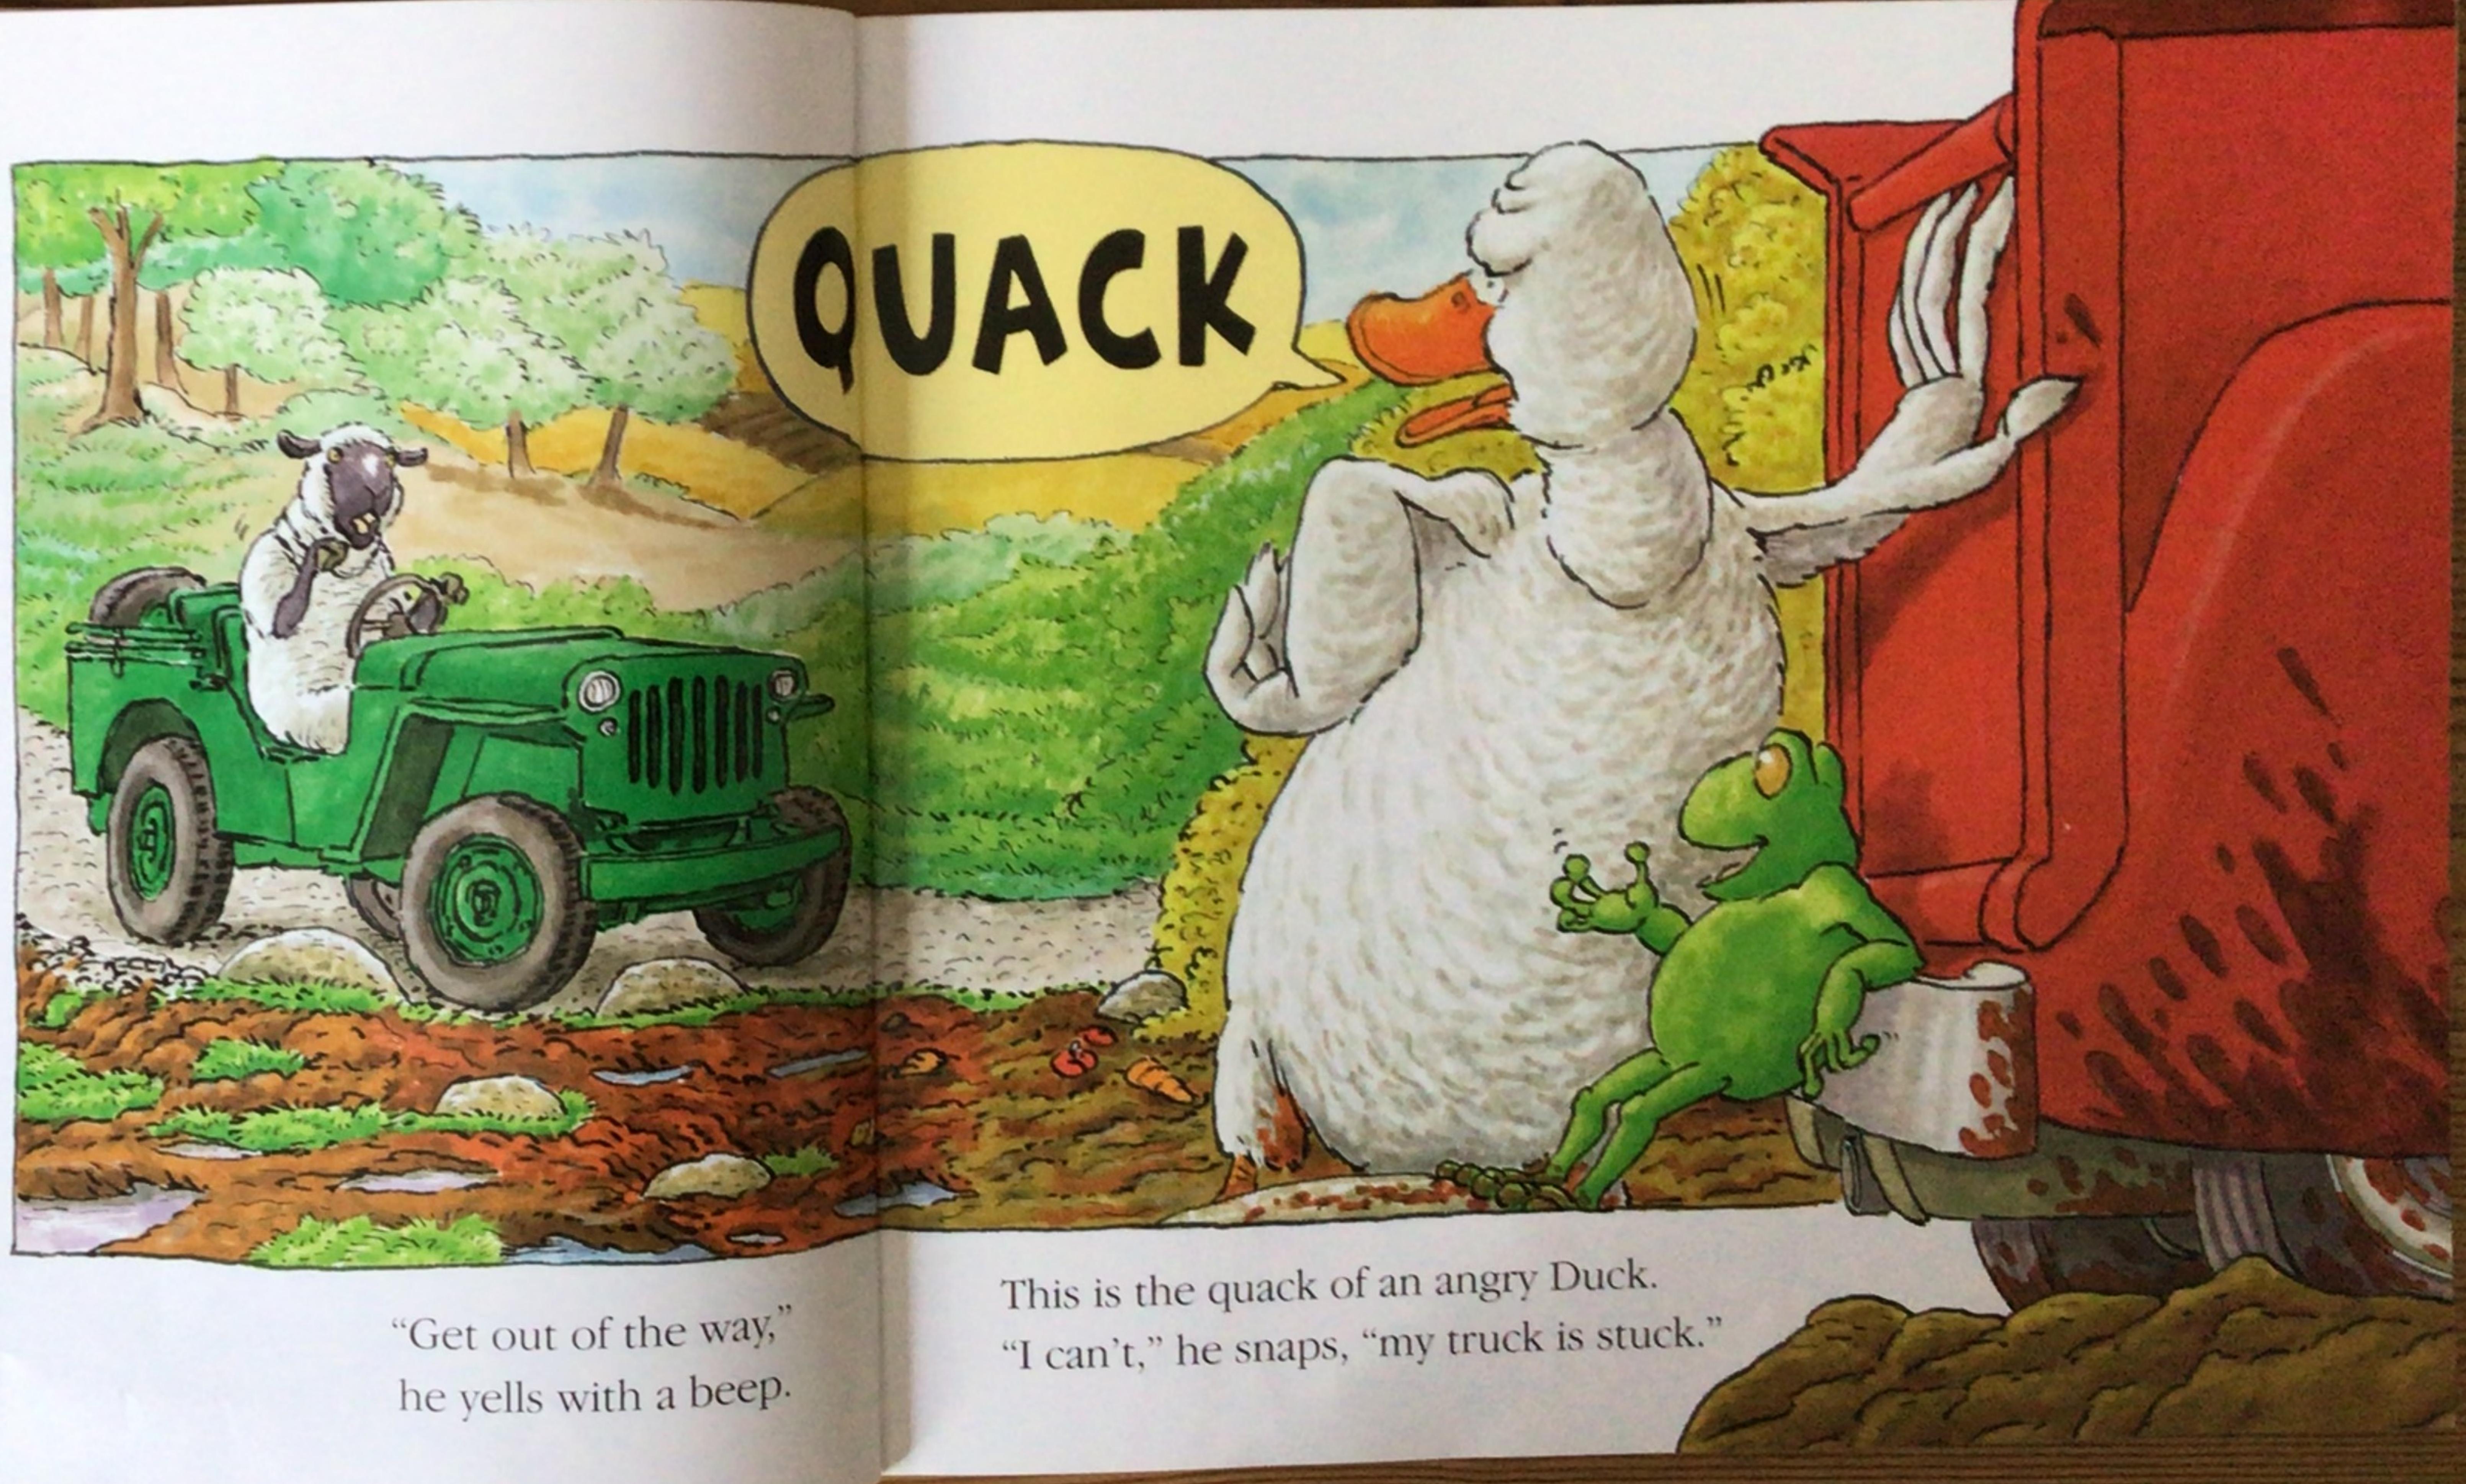

This is the push of a Frog

and a Duck...

And this is the truck still stuck.

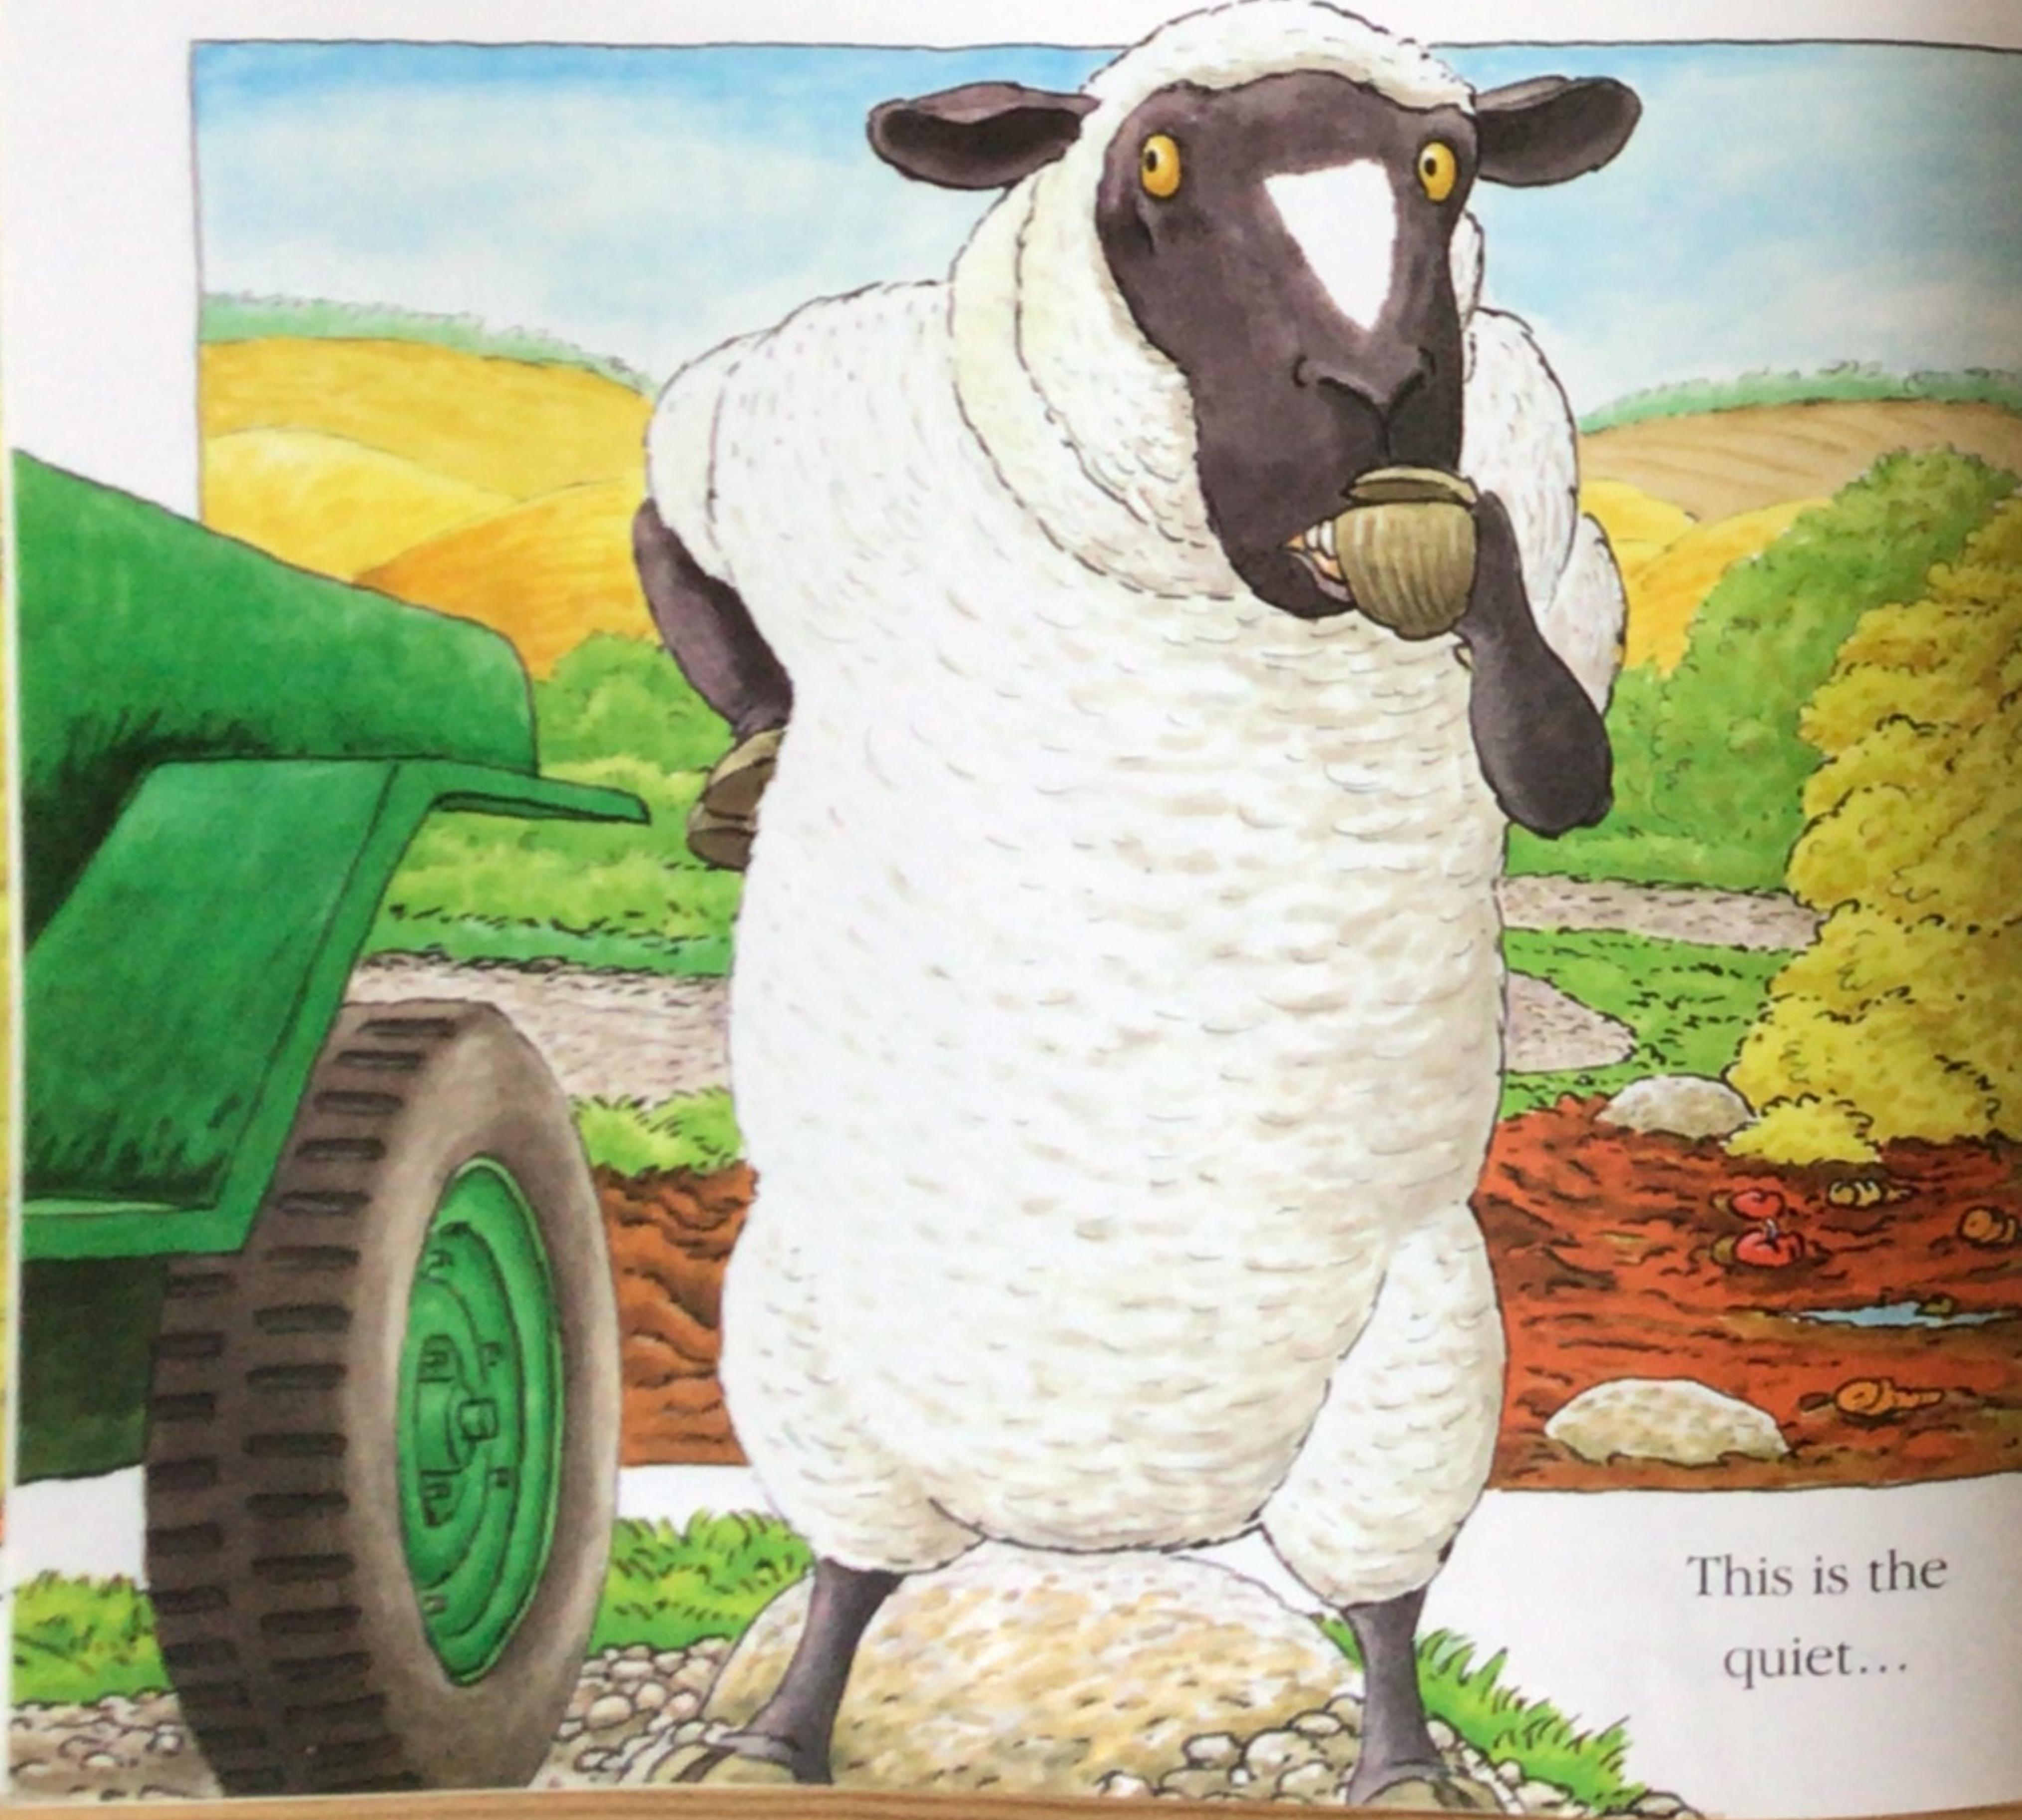

This is a sheep
driving home in a jeep.

"Get out of the way,"
he yells with a beep.

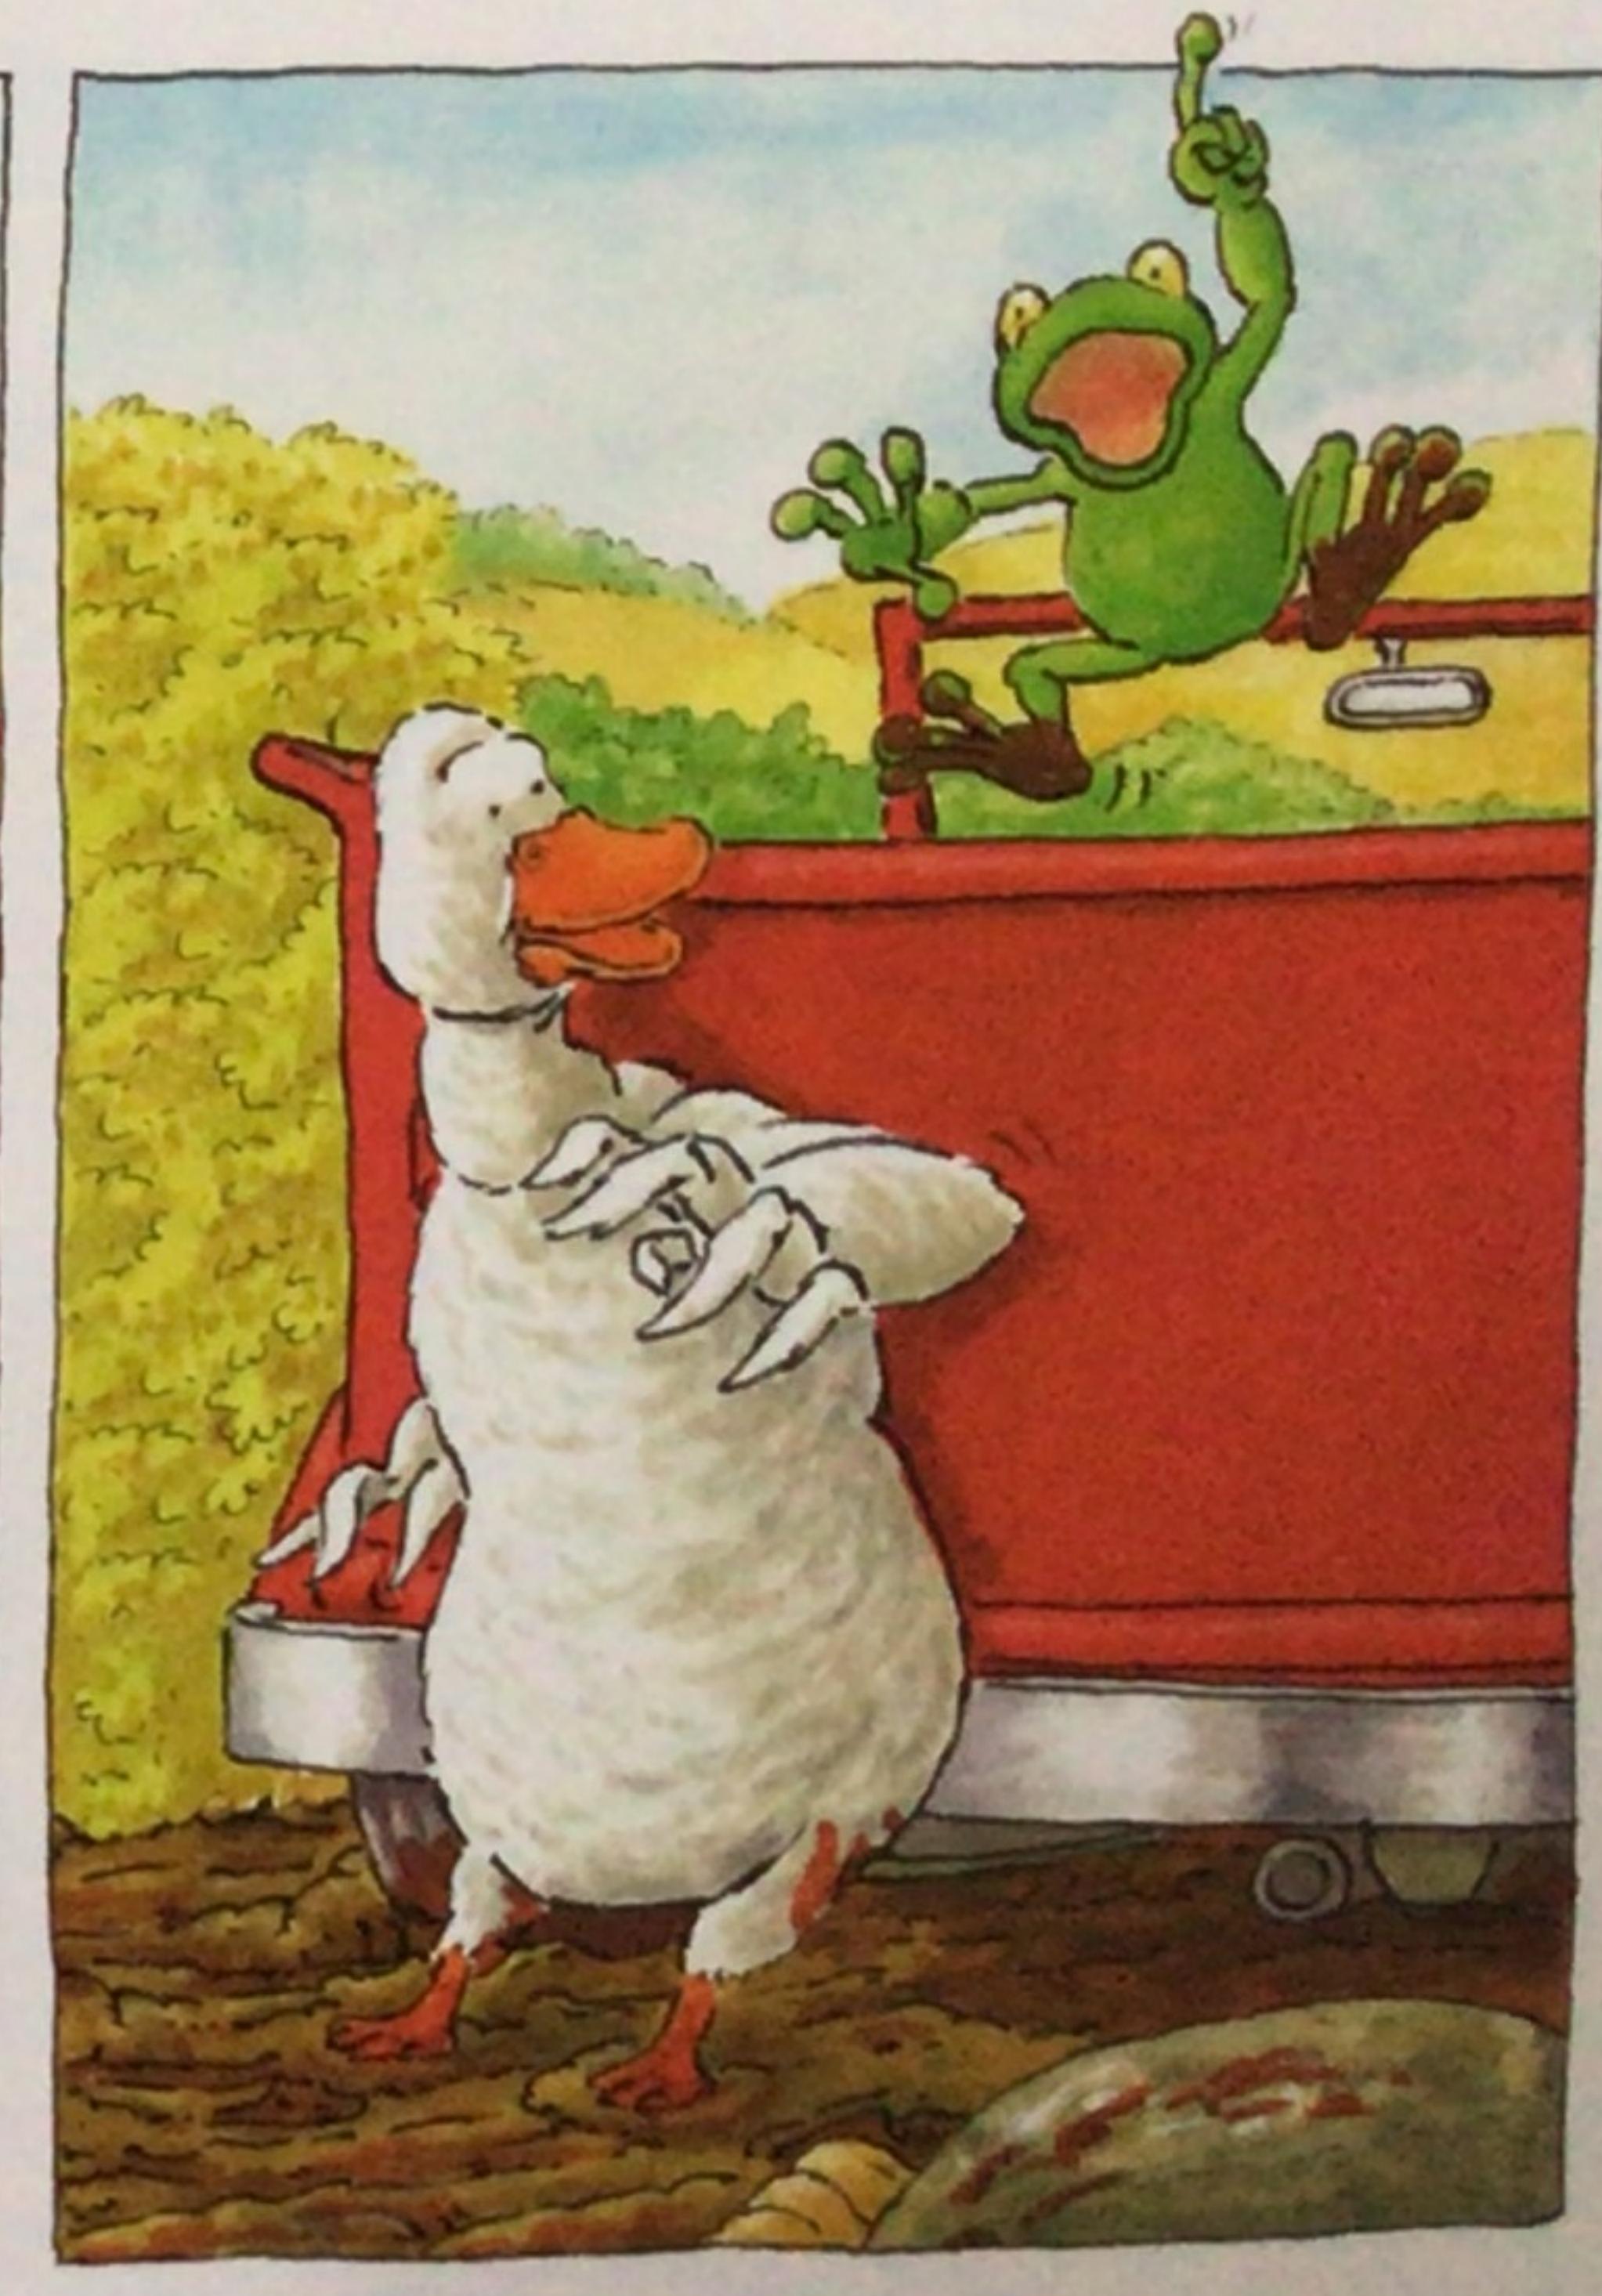

This is the quack of an angry Duck.
"I can't," he snaps, "my truck is stuck."

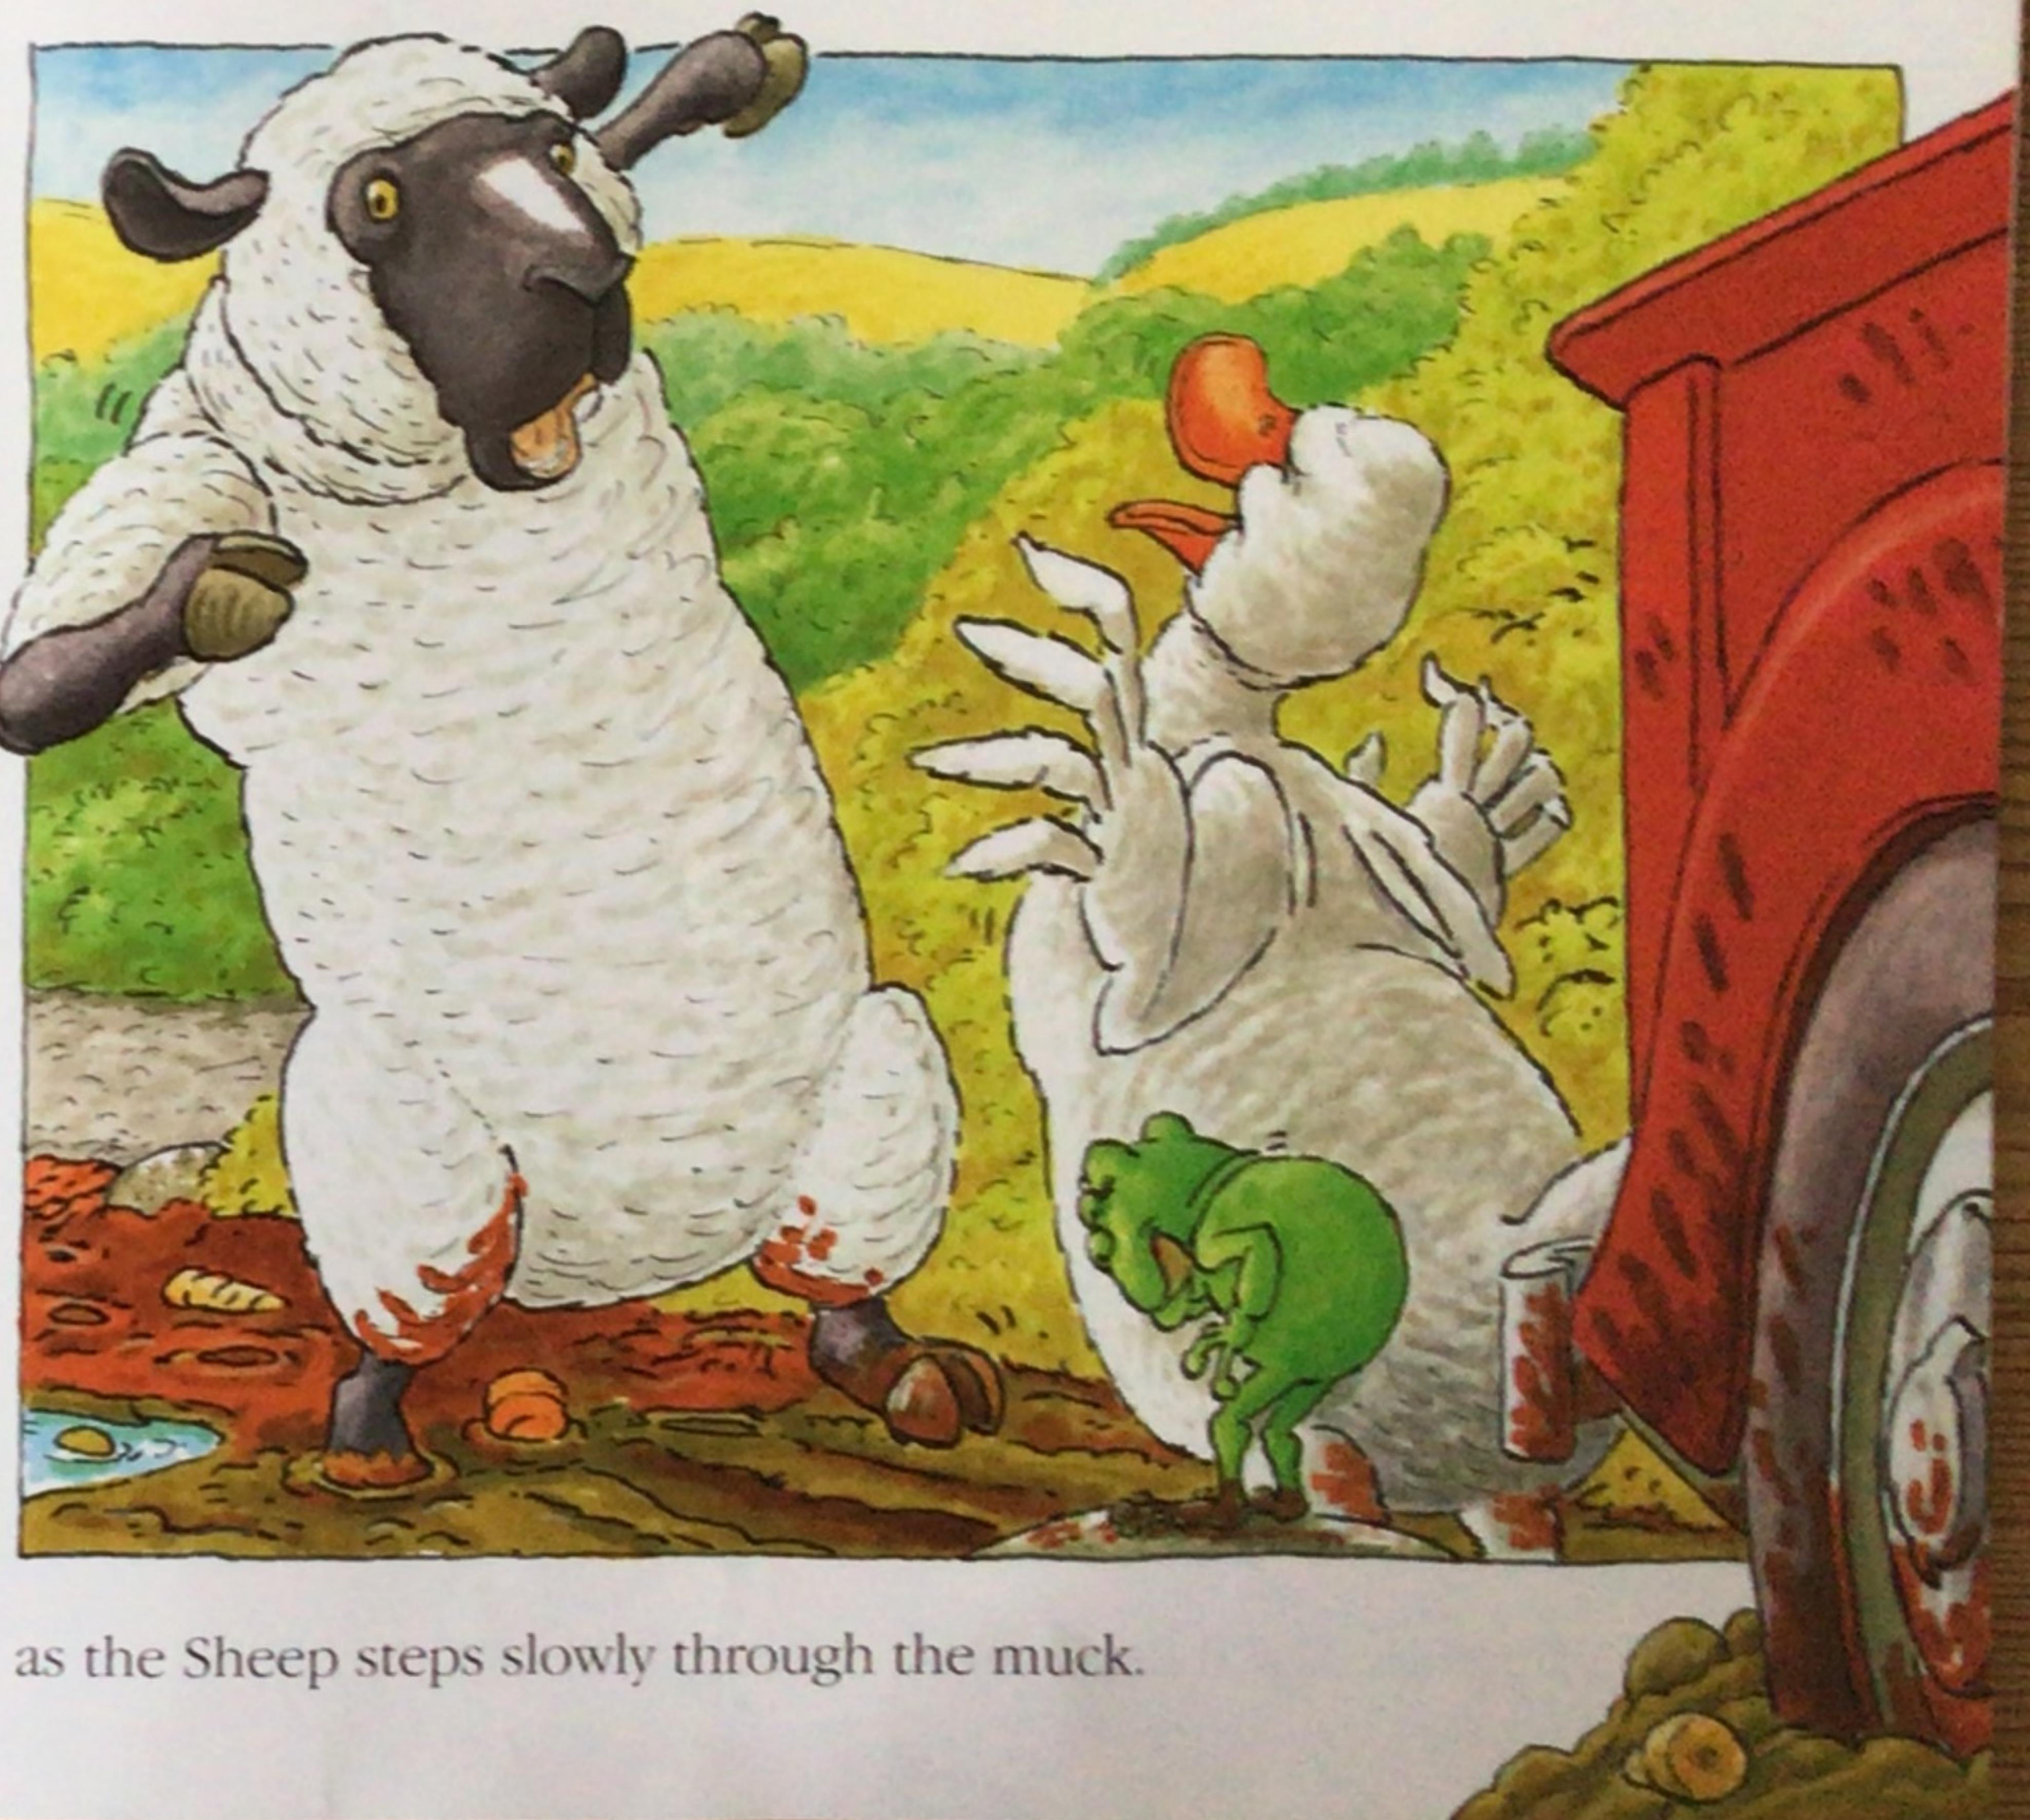

This is the
quiet...

...as they think
what to do.

"Got it!" croaks Frog,
Sheep can push too."

This is the slurp

and squelch

and suck

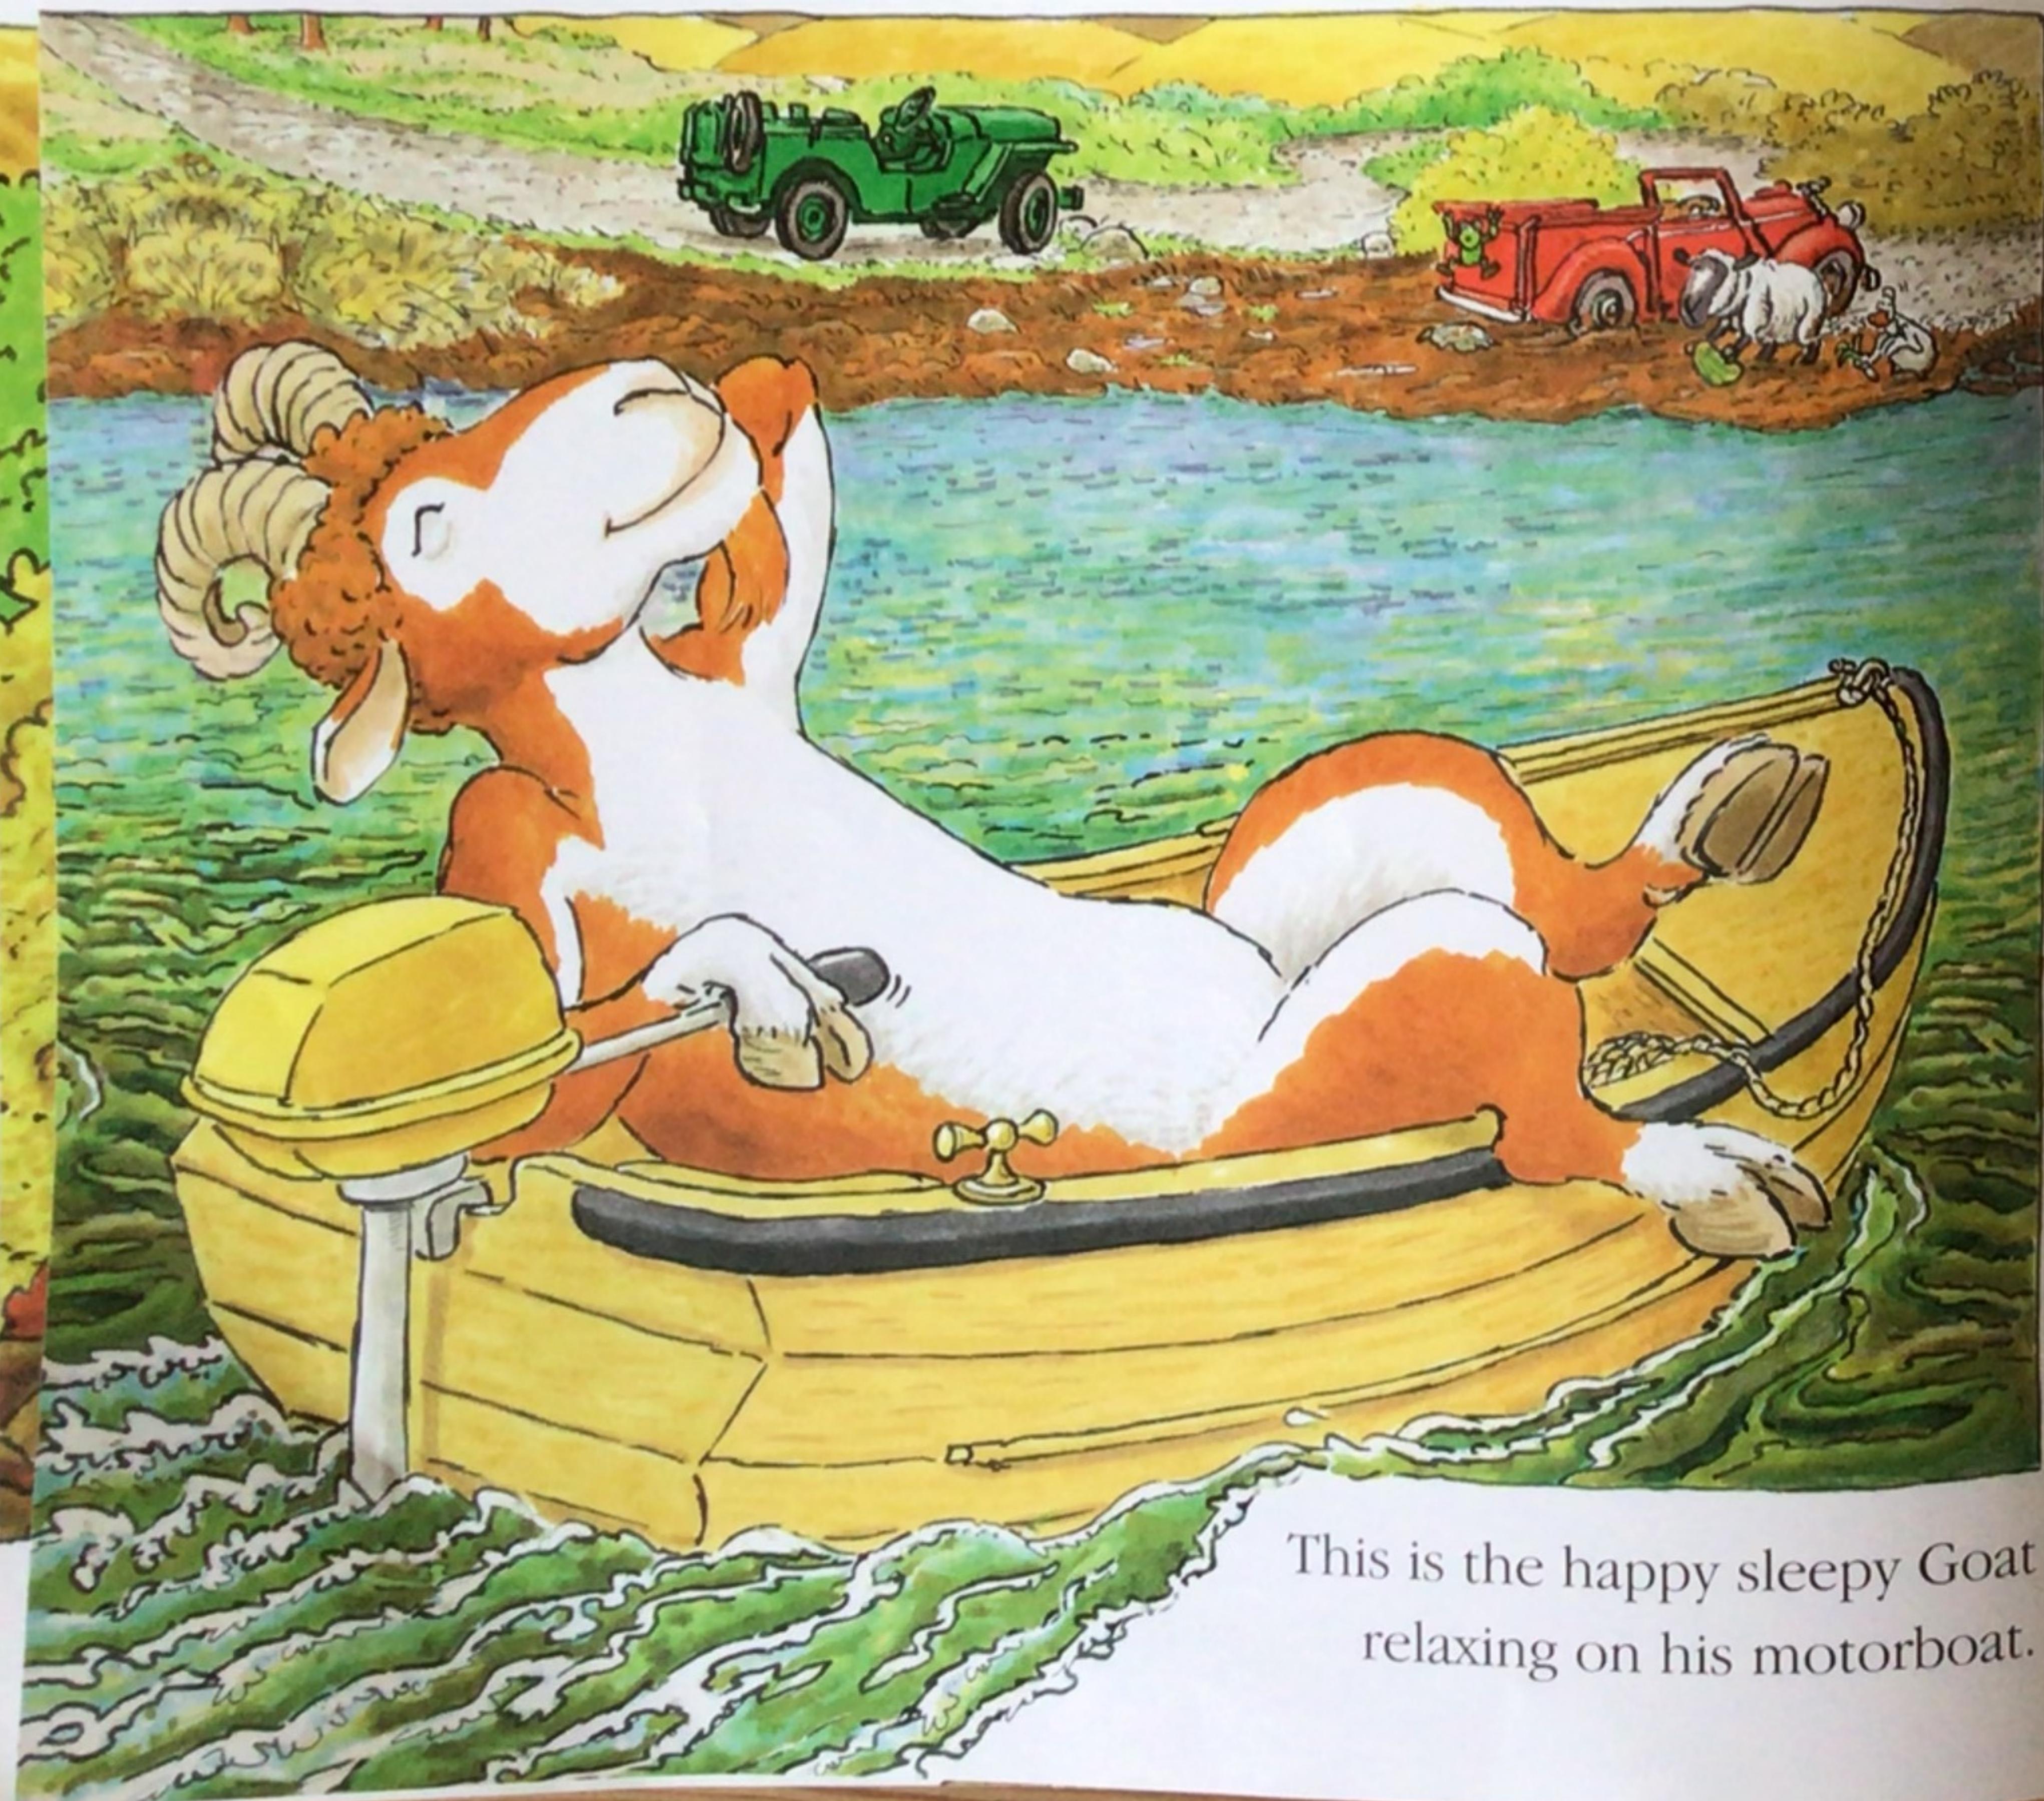

as the Sheep steps slowly through the muck.

This is the push of a Sheep, a Frog

and a Duck

and this is the truck... still stuck.

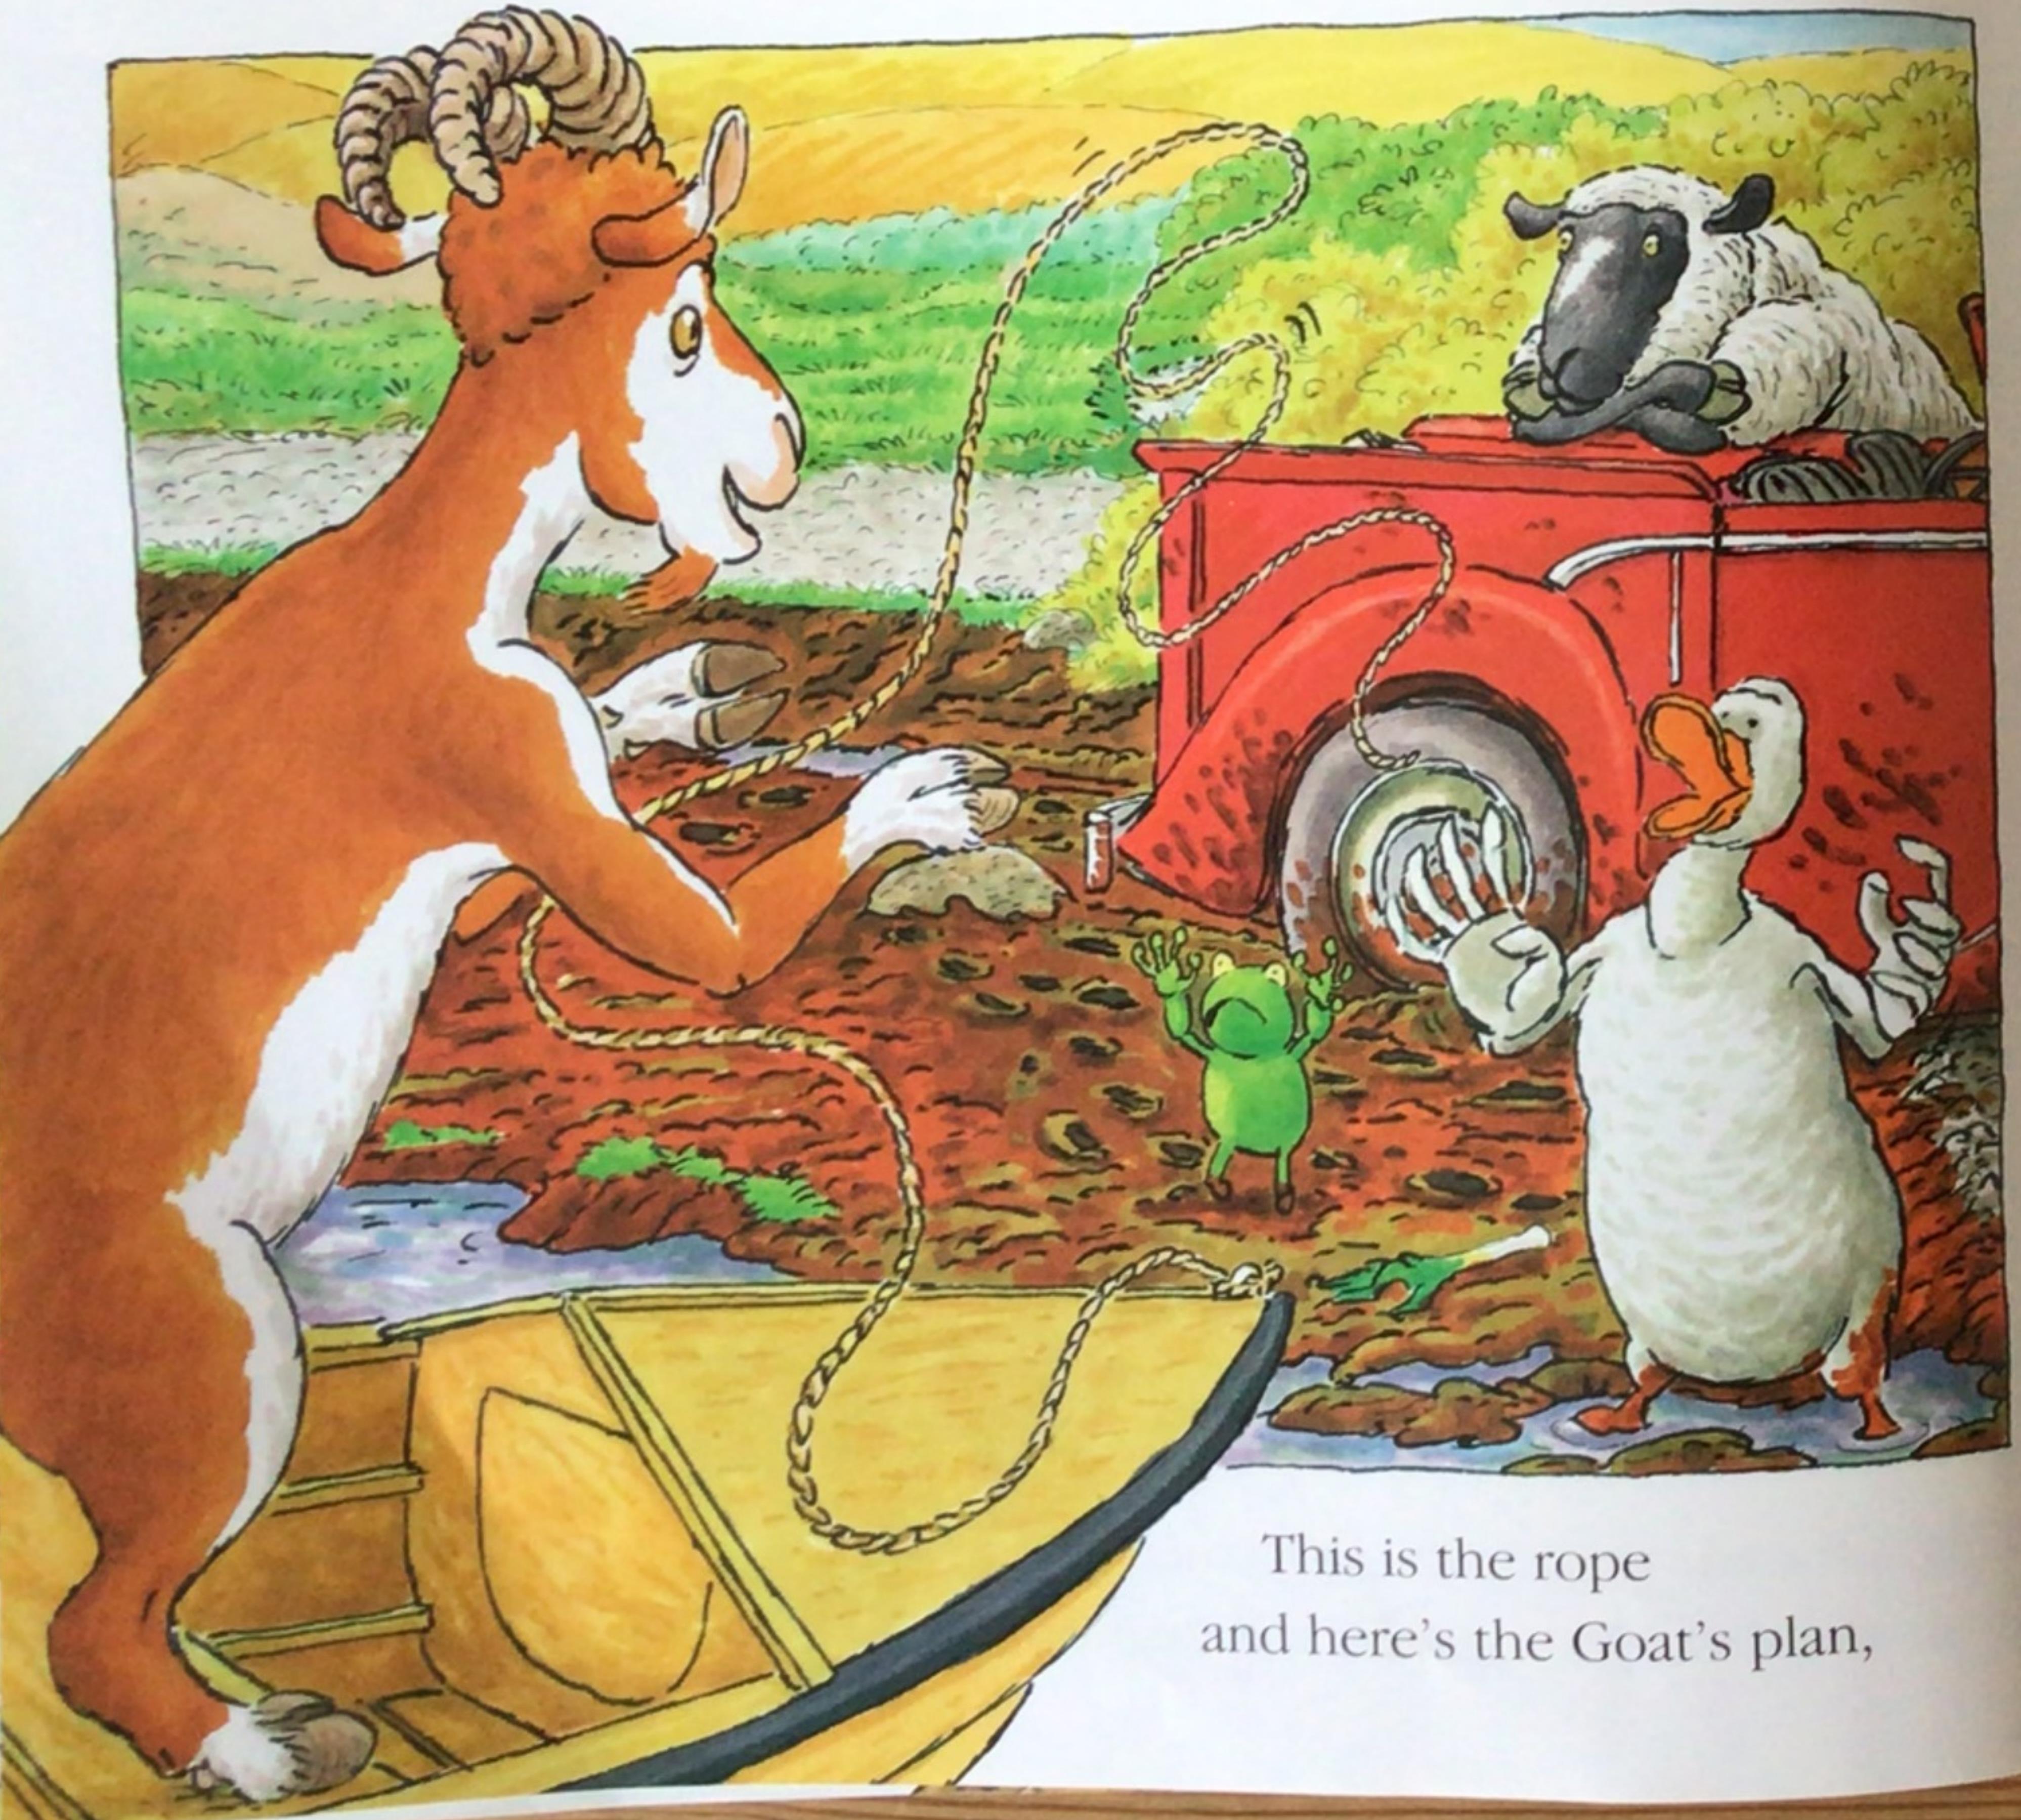

This is the happy sleepy Goat
relaxing on his motorboat.

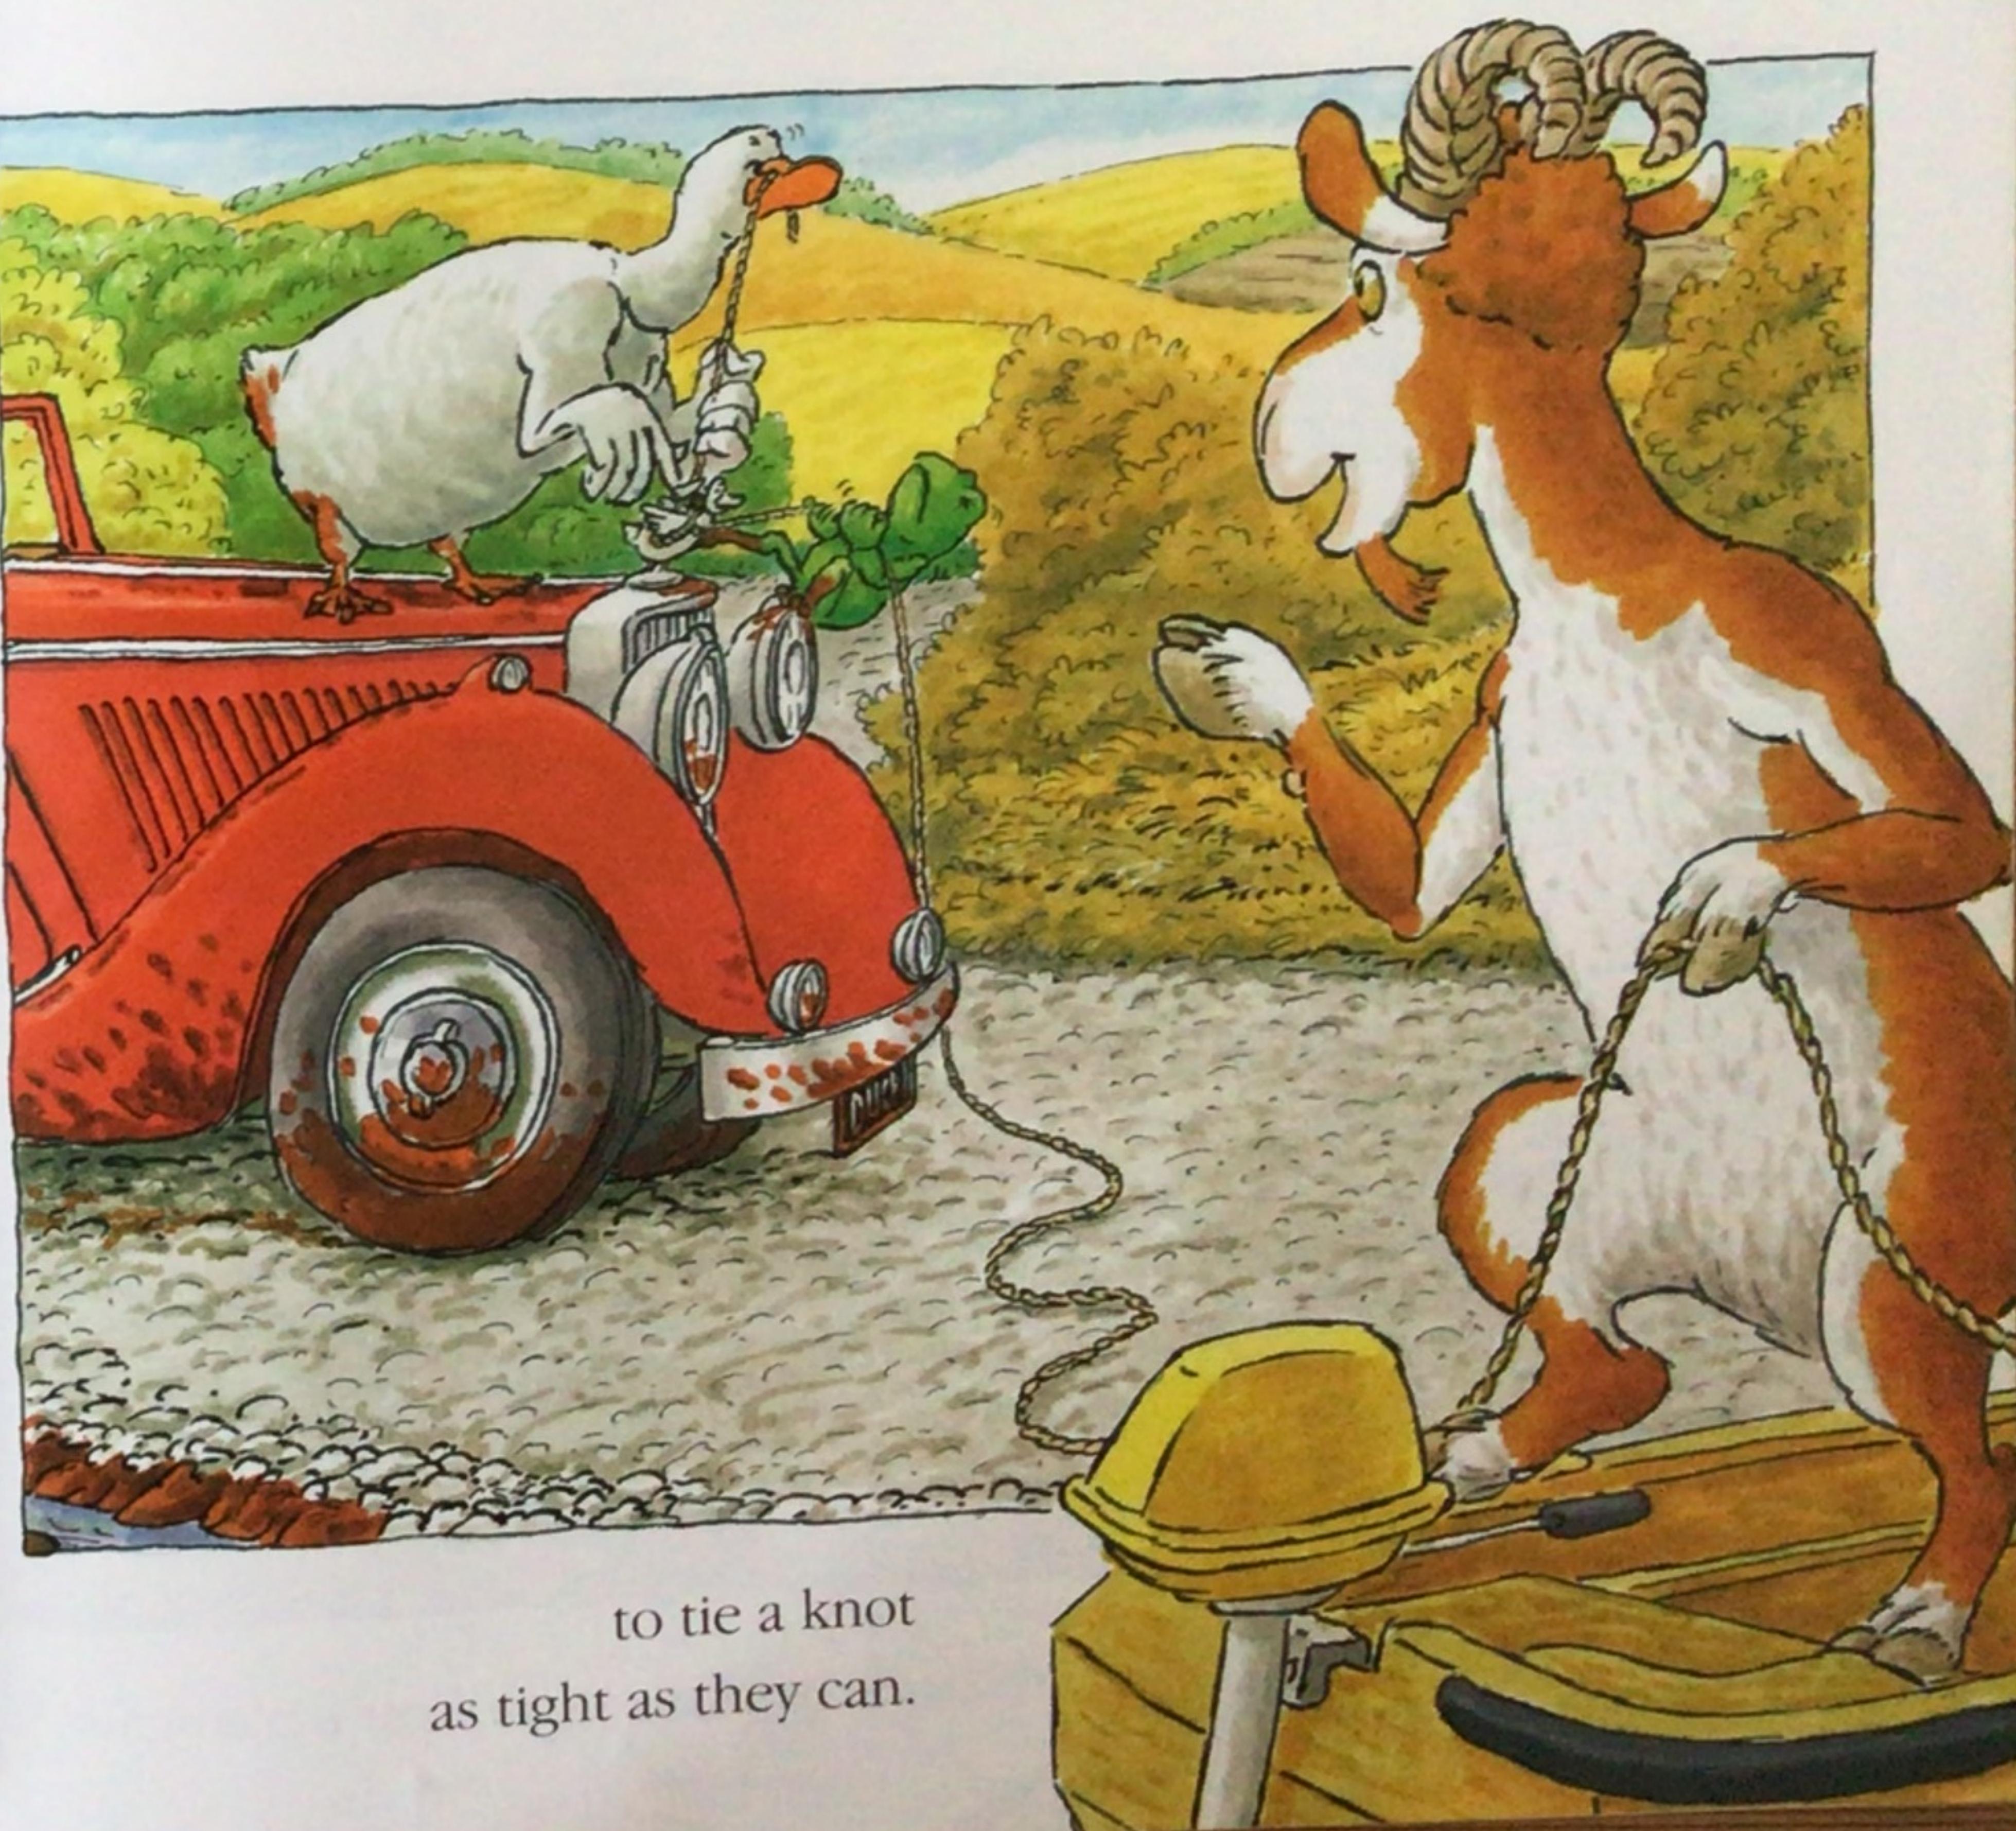

This is the ear that
hears the shout,

"My truck's in the muck
and it won't come out!"

This is the rope
and here's the Goat's plan,

to tie a knot
as tight as they can.

This is the push at the rear once again.

This is the pull as the boat takes the strain.

These are
the wheels

finally
gripping.

TWANG

A red vintage-style car is shown from a side-on perspective, driving along a road. The word "TWANG" is written in large, bold, black letters above the car.

This is
the knot
suddenly
slipping.

A brown and white dog is pulling on a yellow boat that is stuck in a shallow stream or puddle. A yellow rope is attached to the front of the boat and goes up over a rock, then hangs down. The word "TWANG" is written in large, bold, black letters above the boat.

This is the truck with the engine on fast

back on the track...

UNSTUCK AT LAST!

This is the Duck driving home in the truck

leaving the Frog, the Sheep and the Goat...

STUCK IN THE MUCK!

This is the tale of a duck in a truck -
a truck that was stuck in some yucky brown muck.

A sheep in a jeep and a frog in a bush
saw the truck stuck and gave it a push.

But the truck stayed stuck!

What now, can you guess?

Could a goat in a boat
get them out of this mess?

*'Duck in the Truck is packed with all the rhyme, colour,
imagination and humour a young reader could ask for.'*
