high up in the trees.

More to spot

Go back and find these scenes in the book!

Did you find me?

Did you know?

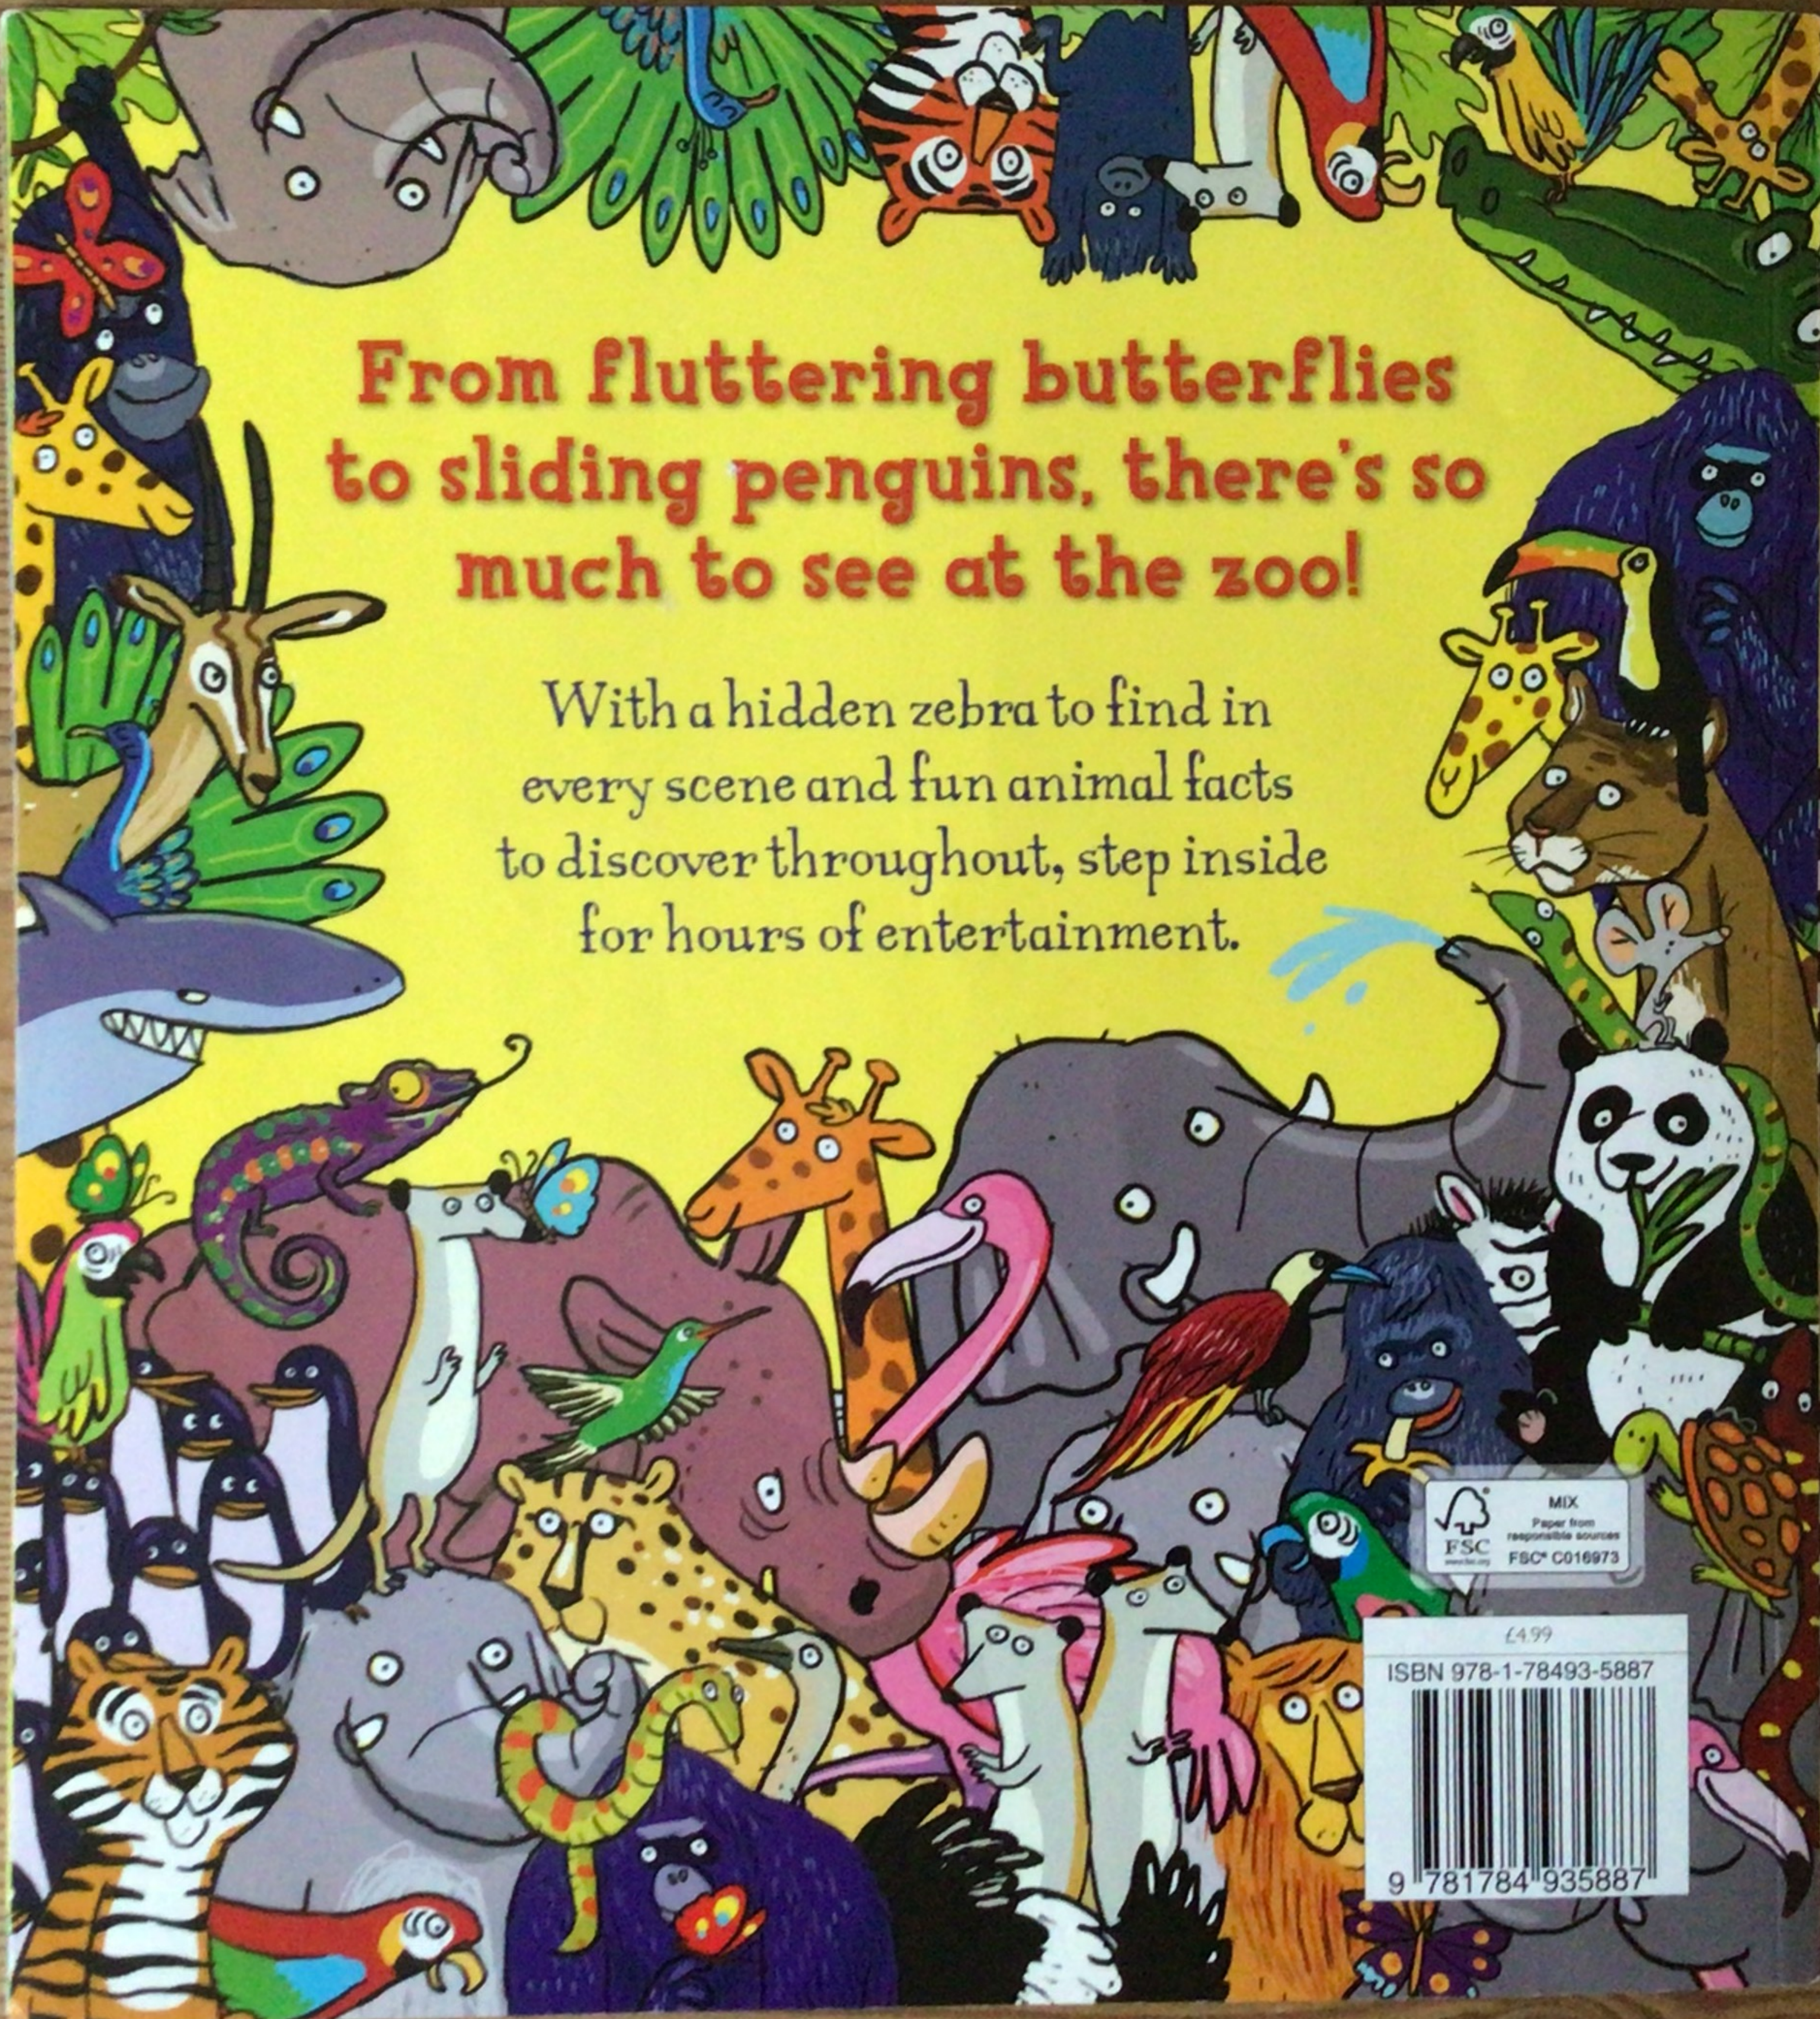

The tail of a peacock can be 2 metres long. That's as long as a lion!

A hammerhead shark's favourite meal is stingray.

Elephants use their trunks to say hello and can even hug each other with it.

Penguins live only at the South Pole, not the North.

Tigers can swim up to 6 kilometres. That's as long as 60 football pitches!

**From fluttering butterflies
to sliding penguins, there's so
much to see at the zoo!**

With a hidden zebra to find in
every scene and fun animal facts
to discover throughout, step inside
for hours of entertainment.
