- **Minecraft** requires pupils to use the laptops (1 between 2 or 3) - my P7 Digital Leaders will show each class how to access and login (NB: Pupils must have their c2k email address and password to login to access the Minecraft software)
- If OK with everyone, the Wellbeing Champions will do a 'sweep' of each classroom and collect their **board games** to give to the class who has board games timetabled. The board games will then be returned at the end of the session.

- If you are timetabled for outside and it is too wet, feel free to have movie or free play during this time.
- You can stream a movie from your existing Netflix account or the BBC iPlayer (**Must be rated U**)
