Last Week of term...

Another week has passed and I hope that your children are continuing to enjoy the return to school and a little more routine. We are finding that the children have adapted really well to being back in school and are working hard. They have shown great resilience and although they were tired by the end of last week, a good week was had by all.

Reading

All children have been working very hard on their reading skills. Joshua and Conor have been spending their weeks focussing on the storybook 'We're Going on a Bear Hunt' and 'The Magic Finger'. The children have been immersing themselves in their stories. How lovely to see them showing a great desire to read.

The children of DPS have been spending lots of their time in school participating in activities that require teambuilding. The children decided that they wanted to build some masterpieces with Lego and wow, what masterpieces they were! Have a look at the process involved in their learning.

Outdoor Play!

What a fantastic time we all had during outdoor play. The children spent time using their imaginations to paint their own ideas on a cardboard box—the children had very abstract ideas. We also spent time playing twister and completing an obstacle course. We loved that it stayed dry for this fantastic afternoon of learning.

Fun in the sun...

Wyatt and Conor made the most of the good weather this weekend by enjoying a picnic at their Grandparents . It's lovely to see them spending time outdoors , we hope this good weather keeps up and there are many more picnics to come!

School will close on Friday 26th March at 3pm for Easter . Thank you for your continued support throughout this time. Stay safe and we look forward to welcoming you all back on Tuesday 13th April.
Happy Easter!
