Notes:

> Don't forget to record how you keep active through the 'Get Set Travel To Tokyo' website.

> P7's are coming into school on Tuesday to receive photos and their folders for their record of achievement. Times have been given out when each child should come in.

The Activities Continue...

A big thank you to all those who took part in the Big Lunch throughout these past two weeks, as well as the painting of rocks for our key workers — we appreciate the support at this time! We will continue to spread the news about our paintings on our social media.

The Big Lunch

The Big Lunch celebrations continued last week! Lucas was lucky enough to make the most of the sunshine with his Big Lunch. Wyatt and Conor also had some lovely snacks for their Big Lunch. Meanwhile, Miss Jones made her own pizza for her Big Lunch and Miss Brown had a lovely picnic outside too!

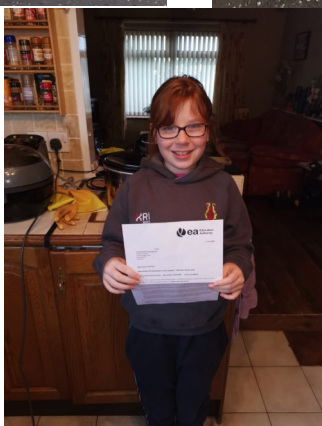

Thank You Key Workers

Pupils!

> Do you want to let everyone know what you're doing or have news to share of your own? If you do, you can have a section in this newsletter. Just write it up on See-Saw, send it to your teacher and it will feature here!

> We want to hear what you're up to in lockdown. Write to your teachers for it to be included here.

We want to say a massive thank you to our boys and girls who painted motivational messages onto rocks for the key workers. Our rocks are joined with some made by the pupils and staff in Knocknagin PS, along with some made by members of the community. They are located beside the tree stump at the bottom of the Knocknagin Road.

As we found out last week, our P7's received their secondary schools for next year. Leanna has already got into the spirit of secondary school by getting on their school hoody when she received her letter. Well done — we know you will all enjoy the next stages of your lives!

The Great Outdoors

We're so happy that you are all getting outside whilst being at home. Ryan is making the most of his outdoor learning. Last week he built a tent in between the trees.

Jacob, Sofia and Joshua have been helping tidy up around the school grounds, as well as taking some walks around the countryside.

Mrs Patterson has been doing a lot of gardening outside — she created this beautiful flowerbed around a tree. Very creative!

Mrs Dickson has also been raising her own butterflies. She received them when they were caterpillars and looked after them until they were fully grown butterflies. You can see in the pictures below, their cocoon where they grow from a caterpillar into a butterfly.
