

The Wee Friday Note Friday 7th June 2024

"Raising kids is a walk in the park ... Jurassic Park!" Unknown

1. Robin & the Sherwood Hoodies school production

For two nights, our packed school hall shook with laughter as audiences were regaled by the most amazing acting, singing and dancing from our P4, P5, P6 and P7 pupils. From start to finale, the entire show was a huge success. The children loved performing and parents' faces beamed with pride as they watched on, alongside lots of other family members and visitors. Thank you to everyone who came along to support this year's school production. Special thanks to our PSA Team who helped on both nights in various ways, including selling teas and coffees. Pupils and staff are exhausted after weeks of rehearsals and stage preparations, but all agree, it was all worth it. The children were truly magnificent! As principal, I could not be any prouder of Cregagh Primary School!

Photos of the show will be uploaded to our school website as soon as possible ©

2. Chickenpox

We have had our second confirmed case of Chickenpox. Chickenpox is very easily spread from person-to-person and so if your child has it, they should be kept off school for 5 days from the onset of the rash. This will help stop chickenpox spreading to other children and families. Some very useful information for parents has been uploaded onto our school website which we would ask you to read carefully.

3. School Office

We will continue to be without our school secretary throughout the month of June. Thank you for your continued patience as I and other staff, try and fill-in as much as our own regular daily work allows.

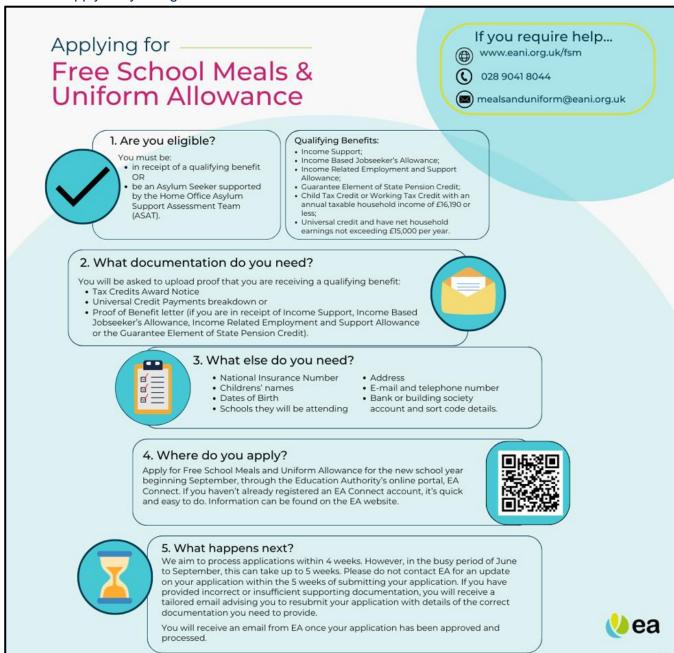

4. School Fund

If any family still has not paid school fund (£20 per family) for this current 2023-24 school year, it would be greatly appreciated if they could. School fund is a really important source of additional income for our school and enables us to provide things for the children that we otherwise could not do.

5. Applying for Free School Meals

(Primary or Secondary schools) & Uniform Allowance (Secondary schools only).

Advice? Apply early and get it sorted! ©

6. Pre-loved school uniforms

Cregagh Primary School has redistributed pre-loved uniforms (must be in good condition) for around ten years now. Now, we work with local charity **#TeamDot** in helping provide pre-loved uniforms for some of our own Cregagh Primary School children but also other local primary and secondary schools.

Like last year, **#TeamDot** will be setting up 'shop' in our Family Resource Hub in August. The poster on the next page provides additional information. As well as being environmentally friendly (recycling clothing), it also helps community out when the cost of living is so very high.
