Our Lady's P.S.

11th September 2023

Ref: Measles, Chickenpox and Shingles

Dear Parent/Guardian

I hope all our Reception and Primary One children are enjoying their first days at Our Lady's and continue to make positive progress at our school.

Please may I ask for your co-operation in an important matter.

One of our children has and continues to receive medical treatment for cancer which puts them at risk if they are exposed to *Measles, Chickenpox and Shingles*. Please let us know immediately if your child is suspected of having measles.

Our child is also at risk from chicken pox and would need to be given an injection within 3 days of contact. If your child is suspected of having chicken pox you should let us know immediately.

It is also important that you let us know if there are shingles in your household.

Your child is not at any risk whatsoever from this situation. However, the health and well-being of one of our children who is at risk, does depend on the co-operation of us all and we hope you can help us if your child is sick to keep the school informed. This should ensure that all our children learn in a safe environment.

Many Thanks

Tomás Mc Kee
