Reference: 2025-2028 School Development Plan Parents' Survey

6th January 2025

Dear Parent/Guardian

On behalf of our staff and governors, I would like to extend my best wishes to you and your family for a happy and successful New Year as we enter 2025.

As we begin this new year, we are excited about the opportunities ahead for both our pupils and the wider school community. Alongside planning for the upcoming term, we are also developing our School Development Plan for 2025–2028.

The School Development Plan is a vital document that helps schools identify key areas for improvement and growth. This year, we are undertaking a thorough review of our school to ensure we create a comprehensive plan that will enable us to continue improving and providing our pupils with the highest standards of learning and teaching in a safe and supportive environment.

To support this review, we kindly ask all families to complete a short survey consisting of 45 questions. It will take approximately 10–15 minutes to complete. Simply scan the QR code provided to access the survey, which must be submitted by Friday, 10th January. To allow parents time to complete the survey, pupils will not have written homework this week.

We truly value your feedback, and we encourage you to share your thoughts and suggestions. Rest assured that your responses will play a key role in shaping our next School Development Plan.

Please complete the reply slip below to confirm that you have filled out the survey. If you have any questions, feel free to contact the school office or email me directly at tmckee362@c2ken.net.

Thank you for your time and support.

Yours sincerely

Tomás Mc Kee
