Principal: Mrs G Hay B.Ed. (Hons.) PQH

20th December 2024

Dear Parent/Guardian,

As we approach 2025, we at DPS, are starting to think about our birthday! Donemana Primary School first opened its doors in January 1965 which means we have been serving the local community for 60 years!

To celebrate this achievement and to reflect on all the amazing pupils who have been through our doors we would like to reach out far and wide to those of you who had your primary school experience with us at Donemana Primary School.

Ideally we are looking for a photo of you whilst here at DPS and a current photo with a little bit of information about your time at DPS (perhaps teachers you had, best friends, favourite school dinners...whatever stands out in your mind) and some up to date information about your life and achievements.

Perhaps you have been to university and achieved your degree, perhaps you run your own business, perhaps you are a stay-at-home parent who has chosen DPS for your own children...we want to learn about, celebrate and share the achievements of as many past pupils as possible.

The photos and information we receive will be shared on our school website and Facebook page to mark our birthday.

P6/7 will also be tasked with finding past pupils to celebrate so if they come knocking at your door with questions you will know why!

If you are happy to share photos and information with us so we can mark our birthday, please send an email to me at ghay546@c2kni.net. I would really appreciate it if you could share this letter with others to help us reconnect with as many past pupils as possible.

Kind regards,
Mrs G Hay
(Principal)
