It's been a busy week in Toreagh! The P6 children enjoyed a trip to Larne High School for the Stem event. We managed to stay reasonably dry yesterday at Sports Day. Thanks to all those parents who helped and the Friends of Toreagh for providing refreshments. Spar, Kilwaughter, kindly donated sweets and water for the children.

### **A Big Thank You**

The Board of Governors would like to thank the Friends of Toreagh Fundraising Group for their magnificent efforts this year. They also send thanks to everyone who has supported these events. Your help with fundraising is vital to our school in these times of limited budgets.

### **Safeguarding**

Miss Morrow has updated the Safeguarding Policy in line with the most recent advice and it has been passed by EA. On Monday you will receive a paper copy for you to retain. I would ask that you sign the receipt slip and return it to school.

## **School Play**

### **Tickets**

Tickets are available from the school office, on a first come first basis. Accommodation at the church hall is restricted to approximately 150 people per night this includes children. Priced £6 for adults and £2 for children of primary school age.

Please try to have tickets bought by Friday 14<sup>th</sup> June to allow seats to be arranged in hall.

As I'm sure you will appreciate, children and staff have worked extremely hard to produce this show, so as in previous years we would ask that very young children should not be brought to any of the performances.

### **Face Paint**

Some children may be required to wear a small amount of face paint for the school play. Please let your child's teacher know by Friday if your child cannot wear face paints.

### **Message from School Nurse**

Care Plan or Medical condition.

To all parents/carers of children and young people who have a health care plan in place for school. The School Nursing service will write out to each home address over the summer to review your child/young person's care plan for the upcoming year in school, if you have moved home in the last year, it is important that you let the school nurse know. You can do

this by phoning 02828261951 and leaving a message detailing your child's name, DOB, school attended and your new address.

For those young people moving to post primary schools, please ensure that care plans are requested from your current school and provided to the relevant post primary school on or before the first day. For those children and young people who have emergency medication in school, please ensure that you have a supply of in-date medication ready for the first day of school starting back in Aug/Sept.
