Things are progressing really well with our new hall extension. The builders hope it might even be in action by mid February. Getting dinners started will take a little longer. EA will be advertising for staff to work in the kitchen for 2 hours per day (possibly 11.45am–1.45pm). If you are interested or know of anyone who might be, please keep an eye on the EANI website.

## SEAG OUTCOMES 2025-26

On Saturday 24<sup>th</sup> January parents will be able to see the SEAG outcomes by logging onto their dashboard. SEAG aims to have results available from 8am.

If anyone would like to speak to Miss Morrow before completing the transfer forms, please contact Mrs Wilson to arrange a time. Miss Morrow will be available, Monday 26th and Thursday 29th 2.15pm – 3.30pm or Tuesday 27<sup>th</sup> 3.00pm- 3.30pm.

## P7 Swimming

Swimming commences this week as unfortunately we did not have the staff available last Monday. The cost is £4 per week. Your child will need a swimsuit (no bikinis)/swimming trunks or shorts, a towel and a brush or comb in a small bag. A swimming hat for long hair must be worn. NO TALC OR GEL please.

Any child who misbehaves travelling to or from the pool or in the Leisure Centre will remain in school.

## P1 -School Nurse Health Appraisals

Information regarding P1 Health Appraisals with the School Nurse will be sent home with your child on Monday. **Please return the consent form to school by Friday 23.1.2026.**

## P1 Intake 2026

Applications for P1 admissions 2026 has now opened online.

Further information can be found on the school website or [www.eani.org.uk/admissions](http://www.eani.org.uk/admissions)

The online portal will close at 12 noon on Wednesday 21<sup>st</sup> January 2026.

If you know anyone with a child due to start P1 in 2026, please encourage them to come and visit us.

## LATENESS

A significant number of children are arriving late for school each morning. This means that they have missed the start of the day including explanation and writing down of homework, spellings and the important settling in time. Children being late also disturbs the rest of the class. Please make a big effort to make sure your child is in school before the bell at 9am.

## Post Primary School Open Nights

Parents of P6 & P7 children should check on the EA website [www.eani.org.uk](http://www.eani.org.uk) for further information regarding post primary school open nights.

## Other Information

January 2026

Dear Parent/Carer,

Each year we hold a meeting for parents who will have received the results of their child's transfer tests. I would like to continue this practice so would offer the opportunity again this year on Monday 26<sup>th</sup> January. The venue is our Lecture Theatre and the meeting will commence at 6.30pm finishing no later than 7pm.

There is no obligation for parents to attend and indeed SEAG have published useful information on their website. However, we always prefer a personal touch and this is an offer of support and guidance when the meaning of scores/outcomes may be a little less certain. Senior staff will be present to deal with any queries regarding Special Circumstances/Provisions and deal with any other matters of concern at this stage too.

Entry will be from the Sports Hall entrance at the rear of the school and parking is available in the playground. We look forward to welcoming you then.

Yours sincerely

Dr Michelle Rainey

Principal
