

Drumacrutin National School

Home School Learning: 3rd-6th classes

17th March 2020

I hope the children are adapting to our new circumstances and that from Wednesday they will begin in earnest to do their Home School Learning Pack.

This pack is designed for two weeks work.

Indications are that we may be off school beyond the 29th March and if this is the case, I will update you as to how the children can proceed with their learning on 29th March.

SESE Project

The SESE project does not need to be completed within the two week timeframe but I would hope that everyone would make a good start on it.

The SESE project can be done in a word document, as a powerpoint presentation or handwritten.

Presentation of work

All work in 'Home School' copies should have a subject title, date and page number. It should be completed neatly and tidily.

Online Learning Resources

There are also a host of free online learning resources and activities to help our children through this time.

www.scoilnet.ie have a wealth of resources tailor made for the Irish curriculum. Learning games, links to interactive websites and videos but to name a few.

www.twinkl.ie/offer are offering one month's free access to parents. Just enter the code IRLTWINKLHELPS. This website has fabulous resources and has put together complete class based packs which you can download and dip into.

Best wishes and keep safe and well

Mrs. Hutchinson
