

Senior Cycle Options

2025

**St Farnan's
Post Primary**

Today all students had subject choice presentations from their teachers

Biology- Brand New Course for 25-26

Content: 4 Units (1 Unifying Strand)

- Nature of Science
- Organisation of Life
- Structure and Processes of Life
- Interactions of Life

Assessment:

- Exam worth 60%
- AAC worth 40%

Requirements:

- A good ability in language – lots of key words, definitions and note taking
- Memory
- An interest in the subject is highly beneficial
- Good grasp of the Junior Cycle Course

Differences between JC and SC

- Content similar to JC Biology but studied in much more depth. Larger focus on plants in senior cycle.
- New AAC (Additional Assessment Component) worth 40%. Brief provided by SEC in 5th year for completion in a set time
- Studied at Higher and Ordinary levels – No sample paper yet- Issued in September 2025

Career related areas:

- So many third level courses and career options: Science and Research, Doctor, Nurse, Pharmacologist, Farmer, Tree Surgeon, Ecologist, Athlete, Nutritionist, Personal Trainer, Engineering, Paramedic

Tonight we will cover...

1. Transition Year – Ms. Tanya Flanagan TY coordinator & Owen Dockery YH
2. Leaving Cert Applied Programme – Mr. Michael Wilkinson & Ms. Jo Bradshaw
3. Leaving Cert (including LCVP option) – Ms. Anita Cleary & Ms. Stephanie Hayes
4. How to complete and return subject options via Vsware

TY PROGRAMME

Transition Year

Transition Year is an **optional year** which can be taken following the JC, before a student begins their LC.

It is not like a normal school year because students follow a completely different curriculum and have a more varied course with new modules, trips and projects.

Why opt for Transition Year?

- Challenges facing our Young People.
- Changing attitudes to Education
- Need for skills based learning
- Age profile of Irish students leaving school
- Time to mature

Students' reasons for choosing TY

- Year to mature
- Assess Junior Cert results/
prepare for Senior Cycle
- Explore new
subjects/experiences/skills
- Gain a more positive
attitude towards school
- To gain confidence
- Age

Applying for Transition Year

- Students fill in an application form.
- The co ordination team interview the students.
- The school use the information gathered to assess if we feel TY would benefit the student.

Subjects studied in Transition Year

English	Future Leaders
Irish	Mini-Company
Maths	Home Economics
Music	Photography
Science	Art
Heritage Studies	DCG
European Studies	Metalwork
IT	Woodwork
PE	Work Experience

Assessment of Subjects studied in Transition Year

- System of credits
- Build credits towards their final award
 - Pass, Merit or Distinction
- Credits also for attendance, application, their TY folder, uniform etc.
- Additional credits can be awarded

Additional Courses/Programmes

- First Aid
- Manual Handling
- Work Experience Etiquette
- Suite of online courses
- Team Bonding
- European Parliament Ambassador Schools Programme
- Work Experience
- Christmas Baking
- Forensics Workshop
- STEM Programme

- Film Making
- GAA/FAI course
- Road Safety Awareness
- Driving Experience
- Segways
- Substance Abuse Awareness
- Glasnevin Cemetery Tour Guiding
- Maths Challenges – Castlecomer Discovery Park

Subject-related Outings

- Baysports, Athlone
- National Ploughing Championships
- National Museum, Dail
- Mount Lucas
- Geography Trip to Kippure
- European Commission Offices
- National Gallery
- Riverbank Theatre
- Spanish Restaurant
- End of Year overnight trip...

In school opportunities

- Gaisce – Breakfast Club, Football for All
- Seachtain na Gaeilge
- European Day of Languages
- Maths Week
- Science Week
- Community Clean up
- Guest speakers
- Mini Companies
- EU Model Debate in Dublin City Hall
- TY Page of School Website
- School Musical

Work Experience

- Students have work experience **one day a week** - Wednesday.
- Students are given the opportunity to explore various career choices which interest them.
- Employers give written feedback to students and to the school.
- TY coordinator maintains regular contact with placement providers.
- Students keep a weekly diary which includes reflection on their work experience
- Students have one week of **Community** work experience in **May** in a community setting
- Theme of the week is **“Giving Back”**
- Students are encouraged to try to find a placement of particular interest to them
- We hope it will be a very positive end to their year before they graduate

Leaving Certificate Applied (LCA)

Mr. Wilkinson & Ms. Bradshaw

BORD OIDEACHAIS AGUS OILIÚNA
CHILL DARÁ AGUS CHILL MHANTÁIN
KILDARE AND WICKLOW
EDUCATION AND TRAINING BOARD

**Alternative
to
established/
traditional
LC**

Leaving Certificate Applied

LCA is a two year Leaving Cert program available to students who wish to follow a practical programme and aims to prepare each student for adult and working life

**Who would
benefit
most?**

Students who are not adequately catered for by other LC programmes.

Learners who choose not to opt for those programmes

LCA

Traditional LC is very academic

Leaving Cert Applied provides an alternative two-year programme of study

LCA focuses on a wider range of skills and abilities than purely academic success

Complete key assignments and tasks
1 day per week work experience

LCA Who Should Apply ?

- Students who would take all ordinary level subjects at Leaving Cert.
- Students who find difficulty with learning by rote rather than learning by doing.
- Students who have difficulty with essay type answers.
- Students who work better in small classes
- Students who enjoy project work.

LCA Curriculum

The programme,
which is of two years'
duration,
has three main elements

- Vocational Preparation
- Vocational Education
- General Education

A range of courses is
provided within each of
these elements.

LCA Curriculum

Vocational Preparation

- Vocational Preparation and Guidance
- English and Communications

Vocational Education

- Mathematical Applications & IT
- Vocational Specialisms (e.g. Engineering, Hotel, Catering and Tourism)

General Education

- Arts Education
- Languages - Spanish
- Leisure and Recreation
- Social Education

Elective Modules

Work Experience

Total of 42 Modules

LCA

The Course is broken into 4 sessions

Year 1

- Session 1: Sep - Jan
- Session 2: Feb - May

Year 2

- Session 3: Sep - Jan
- Session 4: Feb - May

End Year 1: 1 Exam in June
End Year 2 : June - Final Exams

Assessment

3 Modes

Satisfactory completion of Modules	62 credits (31%)
7 Student tasks	70 credits (35%)
Final examinations	68 credits (34%)
Total	200 credits (100%)

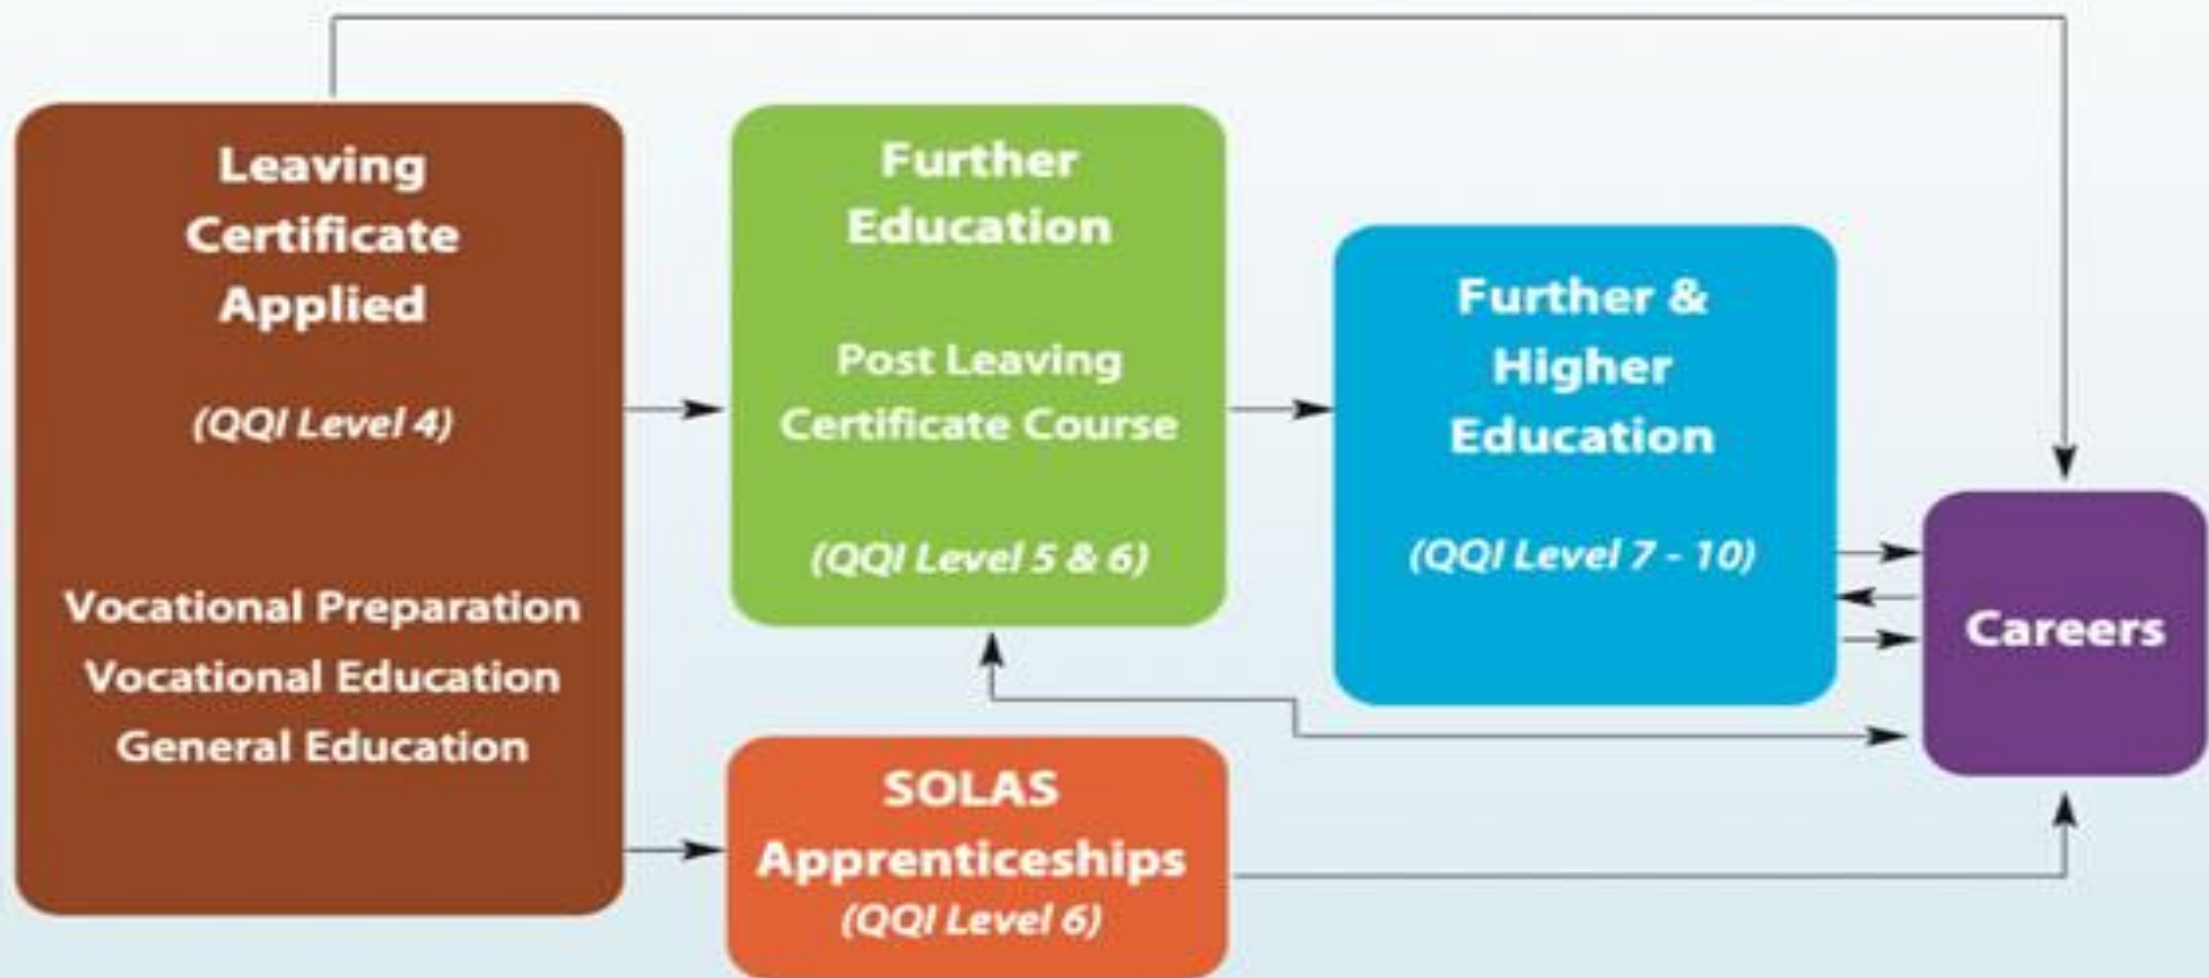

Certificate awarded at three levels:

Pass	60-69 %	(120 - 139 credits)
Merit	(70-84 %)	(140 - 169 credits)
Distinction	(85-100 %)	(170 - 200 credits)

Opening up New Options

The Leaving Certificate Applied Route Map

Established/ Traditional Leaving Cert

Guidelines for Traditional Leaving Cert/Leaving Cert Established

Most students study 7 subjects for Leaving Certificate

Core Subjects: English, Maths, Irish

(Unless exempt)

4 more subjects for you to select

Many students will carry on a third language from Junior Cycle (Spanish, French, Italian or a non curricular language)

Every effort is made to ensure that students get their choice of options for Leaving Certificate classes (but not always possible)

Essential Subjects

Science Subject/s are required for most science degrees and medical/ health courses.

Most Honours Engineering Degrees require Honours Mathematics.

An H4 (or higher) in Honours Irish is required for Primary Teaching.

Some courses require a third language.

Chemistry required for a lot of Pharmacy, Veterinary Medicine, Dietetics courses

Some Courses that need a science subject

SCIENCE

Some ENGINEERING courses

MEDICINE (TCD/UCC (2) sciences,
UCD/NUIG/RCSI (1) science

DENTISTRY

VETERINARY*

PHARMACY*

PHYSIOTHERAPY

RADIOGRAPHY

NURSING

OCCUPATIONAL THERAPY

SPEECH THERAPY

SPORTS SCIENCE

DIETETICS*

OPTOMETRY

* = Chemistry needed.

Optional Subjects:

Depending on demand expressed by students:

Languages:

- Spanish
- French
- Italian*

Sciences:

- Physics
- Biology
- Chemistry
- Agricultural Science

Artistic and Creative:

- Art
- Music

Business:

Business

Applied Sciences/Technology:

- Home Economics
- Engineering
- Construction Studies
- Design and Commutation graphics
- Physical Education
- Applied Maths

Social studies:

- Geography
- History
- Politics and Society

What happens if I do not take a language other than Irish and English?

- Many NUI colleges such as **Maynooth University**, UCD, University of Galway and UCC require a pass in a third language (e.g. Spanish) for entry into a **large number** of their courses
- **Trinity** accepts Irish as a second language requirement. **UL and DCU and the Institutes of Technology/Technological Universities do not require a third language** for entry purposes to most of their courses.

Non Curricular languages

Non Curricular languages
For 2025 these examinations are offered in the following subjects:

Latvian, Romanian, Slovenian, Modern Greek, Finnish, Estonian, Slovakian, Swedish, Czech, Bulgarian, Hungarian, Danish, Dutch, Croatian, Maltese and Ukrainian.

There are also other curricular languages such as Polish that you can complete outside of school also

Consider the following when choosing subjects

What subjects do you enjoy?

Do you have an interest in the subject?

What subjects are you good at? (your ability in the subject)

Do you need a particular subject for a future college course or career?

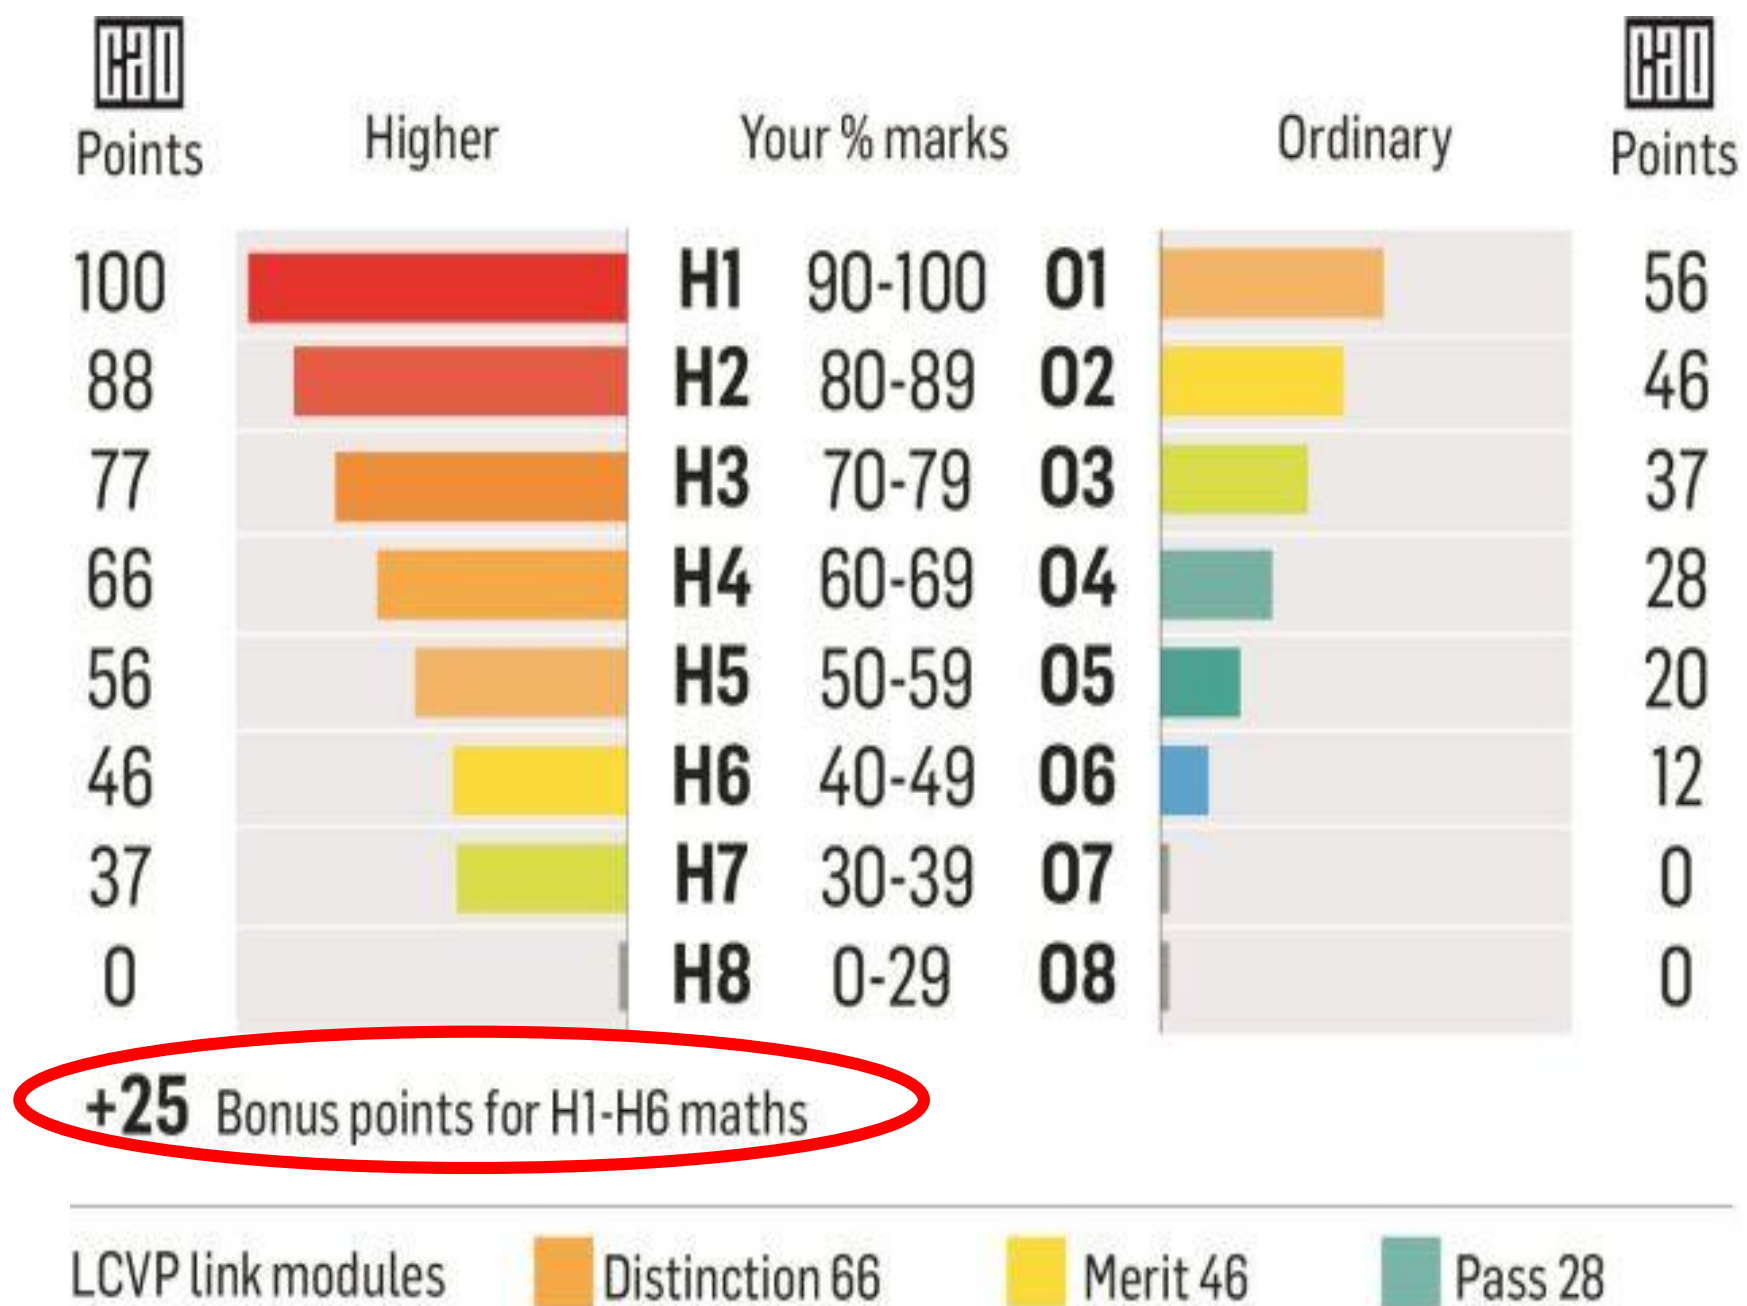

- Do what comes naturally:
 - 1. It is easier and more comfortable for you
 - 2. Why make life more difficult?

The Seven Deadly Sins Of Subject Choice

Leaving Cert subjects are split into Higher and Ordinary Level

Leaving Cert

- If you plan on going to 3rd level College/university (TDC/UCD/DCU/Maynooth/TUD etc) you need Leaving Cert CAO points
- Your **TOP 6 subjects only** are counted for Leaving Cert points for college
- Different course require different subjects e.g. English, Maths.
- Other courses need a **Science** subject
- Some courses require **Irish** or a **foreign language**

Many options after the Leaving Cert

Higher Education – Colleges such as Maynooth, TCD, DCU, SETU etc

PLC's (e.g Dunboyne College of Further Education) – **don't require LC points**

Apprenticeships

World of work

Gap year

Leaving Cert Vocational Programme

- LCVP is a programme that prepares students for the world of work.
- LCVP is an extra programme/subject that students take **along with** taking other Leaving Cert subjects

Preparation for the World of Work

Leaving Certificate 5th year OPTIONS 2025-2026

BORD OIDEACHAIS AGUS OILIÚNA
CHILL DARA AND CHILL MHANTÁIN
KILDARE AND WICKLOW
EDUCATION AND TRAINING BOARD

Senior Cycle Options Forms

1st Step

Google Form - expression of interest. Will be sent to school email on Wednesday 26th February. To be completed by **Friday 28th February.**

Number TY, LCA and LCE in order of preference.

If LCE is your first choice, identify the option subjects you are you likely to pick.

2nd Step

TY or LCA application form

and/or

LCE option selection form VSware

IMPORTANT Information

- Today there was a presentation to 3rd year & TY students from teachers of each subject area about their Leaving Certificate options subjects.
- **This year, the 5th year Options MUST be filled in on-line in VShare. A text will be sent with a link next week.**
- **This Options procedure MUST BE COMPLETED by 4pm FRIDAY 14th MARCH, 2025.**
- **All Students definitely going through to 5th year Established Leaving Cert MUST complete this.**
- **2025-2026 LCA and TY candidates – do not complete this.**

Core Curriculum subjects

- Gaeilge
- English
- Maths

Options x 4 subjects incl. French / Spanish / Italian*

- Some students do not study Irish or MFL language – a separate subject may be placed on during Irish time, Eg: Geography
- Career Guidance
- SPHE including RSE modules
- Study Skills/Physical Education/LCVP/Applied Maths
- Tutorial & Pastoral Care class

Options subjects

- Put ALL 12 subjects in order of your preference
- **Accounting*; Agricultural Science, Art; Applied Maths*, Biology; Business; Chemistry; Construction Studies; Design and Communication Graphics (DCG); Engineering; French; Geography; History; Home Economics (S&S); Italian*; Music; Physics; Politics & Society; Physical Education Spanish; Technology*.**
- You will receive 4 subjects from this list

Options – note 1

- While every effort will be made to give students their subjects preferences it may not always be possible.
- Certain subjects may not be available this coming year due to teacher allocation quotas or an extremely small number of students opting for a particular class.

Options – note 2

- PLEASE mark the subject that you **most want** as PREFERENCE 1

- The subjects that you want nearly as much as PREFERENCE 2 etc....

PREFERENCE	SUBJECT
1	
2	
3	
4	
5	
6	
7	
8	
9	
10	
11	
12	
13	
14	
15	

- Do not try and second guess the options system – the system of operation is produced by computer input/output and by some human tweaking!
- Unfortunately, this process does not give 100% satisfaction to all students across the 3 choice subjects...usually a 87% – 94% satisfaction rating across the 1st 3 choices....
- There are times that one subject area may not be on the 5th year timetable due to staff/allocation resource issues.
 - This has a greater impact on students who choose this as their 1st preference, but we will endeavour to make sure that those minority of students get their highest possible choices.

PLEASE CROSSCHECK all subject data inputted by STUDENTS/PARENTS on Vsware before final submitting of Options.

will be used in the Options process

Filter: all data

Extra subjects

- **Applied Maths** – may run outside of school options classes. Please indicate on your form if you are interested in applying for this extra subject

OR

- **L.C.V.P. (Leaving Cert Vocational Programme) – a class may run outside of timetabled options classes.** L.C. points for LCVP are different than normal subjects (Distinction, Merit & Pass grades)
- Some students may also take extra subjects (example: Polish or other language/Music) outside of the school timetable – please check in August as there are restrictions on certain subjects with practical elements to it most projects/portfolios **CANNOT** be written up & completed at home/outside the classroom

What to do if NOT happy!

- When you receive your 5th year choices ...
- If you are unhappy with an option...please write a short note outlining the reasons to the Deputy Principal and we will look at these and see what we can do to help.
- Unfortunately we **cannot** guarantee that a change will be possible due to the reason outlined above.

Long process...

- This is a long process as teacher allocation & timetabling processes will have to be completed before we can hand out the final options classes.
- Hopefully, they will be ready by the middle of May before the Transition Year Graduation night & Junior Cycle exams.
- Thank you, Andrew Purcell
