

St John the Baptist Primary School

School Prayer Focus

December 2020

During the month of December, we prepare for the coming of Jesus Christ. We do this by lighting one of the Advent candles each Sunday to symbolise we are coming out of the darkness and into the light.

Open our eyes Lord, to the coming of your light.

Help us grow in hope and give us the courage

To hope for your presence in our hearts,

Hope for your peace in our world

And hope for your promise in our lives.

We wait in joyful hope

For your coming into our hearts and lives.

This Christmas we make our prayer

Through Christ, our Lord.

Amen

Caring

For the next couple of weeks, we will be learning about Caring. Please talk to your children about caring and what it means to them both at home and at school.

- I can ask others how they are feeling
- I can care for my friends when they are sad
