

**St. John the Baptist Primary School**

**Bunscoil Eoin Baiste**

**Medication Policy**

## FOREWARD

*“The school’s ‘duty of care’ to pupils requires that all staff act in ‘loco parentis’ to pupils entrusted to the school and any associated school related activities.”*

*“There is no legal duty that requires school staff to administer medication; this is a voluntary role.”*

***Supporting Pupils with Medication Needs  
DENI February 2008***

The school **may** agree to the administration of a **controlled drug** eg. Ritalin, Concerta, Insulin.

Administration of any controlled medication is at the **sole discretion of the Principal** and will be carried out in accordance with the protocols detailed in this policy.

The Board of Governors and staff of St. John the Baptist Primary School, wish to ensure that pupils with medication needs receive appropriate care and support at school. Members of the school staff giving or supervising pupils taking prescribed medication during the school day do so only in the circumstances **where those members of staff have volunteered to do so. There is no obligation on any staff member to administer medication.**

**Please note that parents should keep their children at home if acutely unwell or infectious.**

**1.0** Parents are responsible for providing the Principal with comprehensive information regarding the pupil's condition and medication by contacting the school office. (Dependent on agreement from teaching staff to administer the medication)

**1.1** Prescribed medication will not be accepted in school without complete written and signed instructions from the parent. (inhalers)

**1.2** Staff will not give non prescribed medicine. It is the responsibility of the parents to administer this type of medication.

**1.3** Only reasonable quantities of medication should be supplied to the school (for example, a maximum of four weeks supply at any one time).

**1.4** Where the pupil travels on school transport with an escort, parents should ensure the escort has written instructions relating to any medication sent with the pupil, including medication for administration during respite care.

**1.5** Each item of medication must be delivered to the School Office, in normal circumstances by the parent, **in a secure and labelled container as originally dispensed.** Each item of medication must be clearly labelled with the following information:

-  pupil's name
-  name of medication
-  dosage
-  frequency of administration
-  date of dispensing
-  storage requirements (if important)
-  expiry date

**The school will not accept items of medication in unlabelled containers.**

**1.6** Medication will be kept in a secure place, out of the reach of pupils. Unless otherwise indicated all medication to be administered in school will be kept in a locked medicine cabinet.

**1.7** The school will keep records, which they will have available for parents.

**1.8** If children refuse to take medicines, staff will not force them to do so, and will inform the parents of the refusal, as a matter of urgency, on the same day. If a refusal to take medicines results in an emergency, the school's emergency procedures will be followed.

**1.9** It is the responsibility of parents to notify the school in writing if the pupil's need for medication has ceased.

**2.1** It is the parents' responsibility to renew the medication when supplies are running low and to ensure that the medication supplied is within its expiry date.

**2.2** The school will not make changes to dosages on parental instructions.

**2.3** School staff will not dispose of medicines. Medicines, which are in use and in date, should be collected by the parent at the end of each term. Date expired medicines or those no longer required for treatment will be returned immediately to the parent for transfer to a community pharmacist for safe disposal.

**2.4** For each pupil with long term or complex medication needs, the Principal will ensure that a Medication Plan and Protocol is drawn up, in conjunction with the appropriate health professionals.

**2.5** Where it is appropriate to do so, pupils will be encouraged to administer their own medication, if necessary, under agreed staff supervision. Parents will be asked to confirm in writing if they wish their child to carry their medication with them in school.

**2.6** Staff who volunteer to assist in the administration of medication will receive appropriate training/guidance through arrangements made with the School Health Service.

**2.7** The school will make every effort to continue the administration of medication to a pupil whilst on trips away from the school premises, even if additional arrangements might be required. However, there may be occasions when it may not be possible to include a pupil on a school trip if appropriate supervision cannot be guaranteed.

**2.8** All staff will be made aware of the procedures to be followed in the event of an emergency.
