

Syllables

Syllables are the **chunks of sound** that make up words. If you say words out loud, you can hear the syllables.

bathroom has two syllables:

bath + room

crocodile has three syllables:

croc + o + dle

1 Count the syllables in each word. Then write the answer in the box.

a caterpillar

b leaf

c garden

d rainbow

e spider

f butterfly

g ladybird

h bird

i hedgehog

j greenhouse

2 Rewrite the words in order, with the word with the lowest number of syllables first.

a daisy rose buttercup

b chinchilla cat rabbit

c planet sun universe

d sausages eggs bacon

e orange banana lime

f pen pencil computer

g telephone mobile talk

h tea chocolate coffee

i sandwiches cake trifle

j scorpion ant beetle
