

Spelling Activity Ideas for 8-9 Year Olds

1. Look, Cover, Say, Write, Check

Encourage your child to look at the word, cover it, say it out loud, write it down, and then check if they spelled it correctly. This method helps with memorization and spelling accuracy.

2. Crossword Puzzles

Create or find crossword puzzles using the spelling words. This makes learning fun and helps reinforce word recognition and spelling.

3. Word Lists

Have your child create a list of words that follow the same spelling pattern. This helps them recognize common patterns and improves their spelling skills.

4. Word Search Games

Use word search puzzles to help your child find and recognize their spelling words. This activity strengthens their word recognition skills.

5. Spelling Apps

There are many educational apps designed to help children with their spelling. These apps often include interactive games and quizzes that make learning enjoyable.

6. Practice with Sentence Writing

Encourage your child to write sentences using their spelling words. This helps them understand the words in context and improves their writing skills.

7. Use a Dictionary for Definitions

Teach your child to use a dictionary to find the definitions of their spelling words. This not only helps with spelling but also enhances their vocabulary and comprehension.

8. Write the Difficult Part in a Different Colour

Learning can be fun! Encourage your child to enjoy spelling practice.

Spelling Activity Ideas for 8-9 Year Olds

Encourage your child to write the tricky part of a word in a different color. This can help them remember the difficult sections and make the word more memorable.

9. Make a Word-Puzzle

Create a word puzzle using the spelling words. This interactive activity not only makes learning fun but also helps reinforce the correct spelling.

10. Think of a Link for Words with Similar Spellings

Help your child find a connection between words with similar spellings. This can assist in recognizing patterns and improve their ability to remember spellings.

11. Make a Pattern by Repeating the Word

Ask your child to repeat the word in a pattern. This repetition helps with memorization and reinforces the correct spelling.

12. Find a Rhyming Word

Find a word that rhymes with the spelling word. Rhyming can aid in memory and make it easier to recall the spelling.

13. Draw a Picture for 3 Words

Let your child draw a picture that represents three of their spelling words. This visual representation can make the words more memorable and fun to learn.
