Our dog has to go for walks every day.
She stares at us until we take her.

One day she found a smelly pond
and jumped into it.

"Pooh! You smell disgusting!"
we told her.

Then she rolled in the mud.

"Pretend she's not ours," whispered Mum.

"We must get her home quickly and
give her a bath."

We made her wait outside the kitchen door.
Mum filled the bath.

"I'll put her in," Mum said.

"Now hold on tight! Don't let her jump out!"
