Teachers - Mrs Smiton and Mrs Graham

Amendments to Curriculum

Mrs Smiton's class have sat the examinations for both Unit 1 Biology on November 23rd 2020 and Unit 2 Chemistry in February 2020.

Mrs Graham's class have sat the Biology examination in February 2020. They have completed the work for the Chemistry module and will sit it in February 2021.

Both classes are now working on the Physics module which they will sit in May 2021.

It is intended that Unit 4 which is the practical skills will also be completed.
