Let's Talk About ...

has been designed specifically for parents/guardians of children aged 11-18, attending a Specialist Provision in a Mainstream School. The series is developed and delivered by the EA Specialist Provisions Service.

Our Program

Session Times 9.30am - 11.30am

Behaviour in Adolescence

Explore behavioural changes in adolescence. Gain practical strategies to respond to behaviours with understanding and confidence, strengthening relationships and promoting positive outcomes.

Puberty & Relationships

Explore the changes and challenges of puberty and early relationships of your child. Gain strategies and confidence to talk about growing bodies, emotions, friendships and boundaries.

Technology, Social Media & my Child

Explore the impact of technology and social media on your child's life. Gain practical strategies to help your child navigate technology and social media safely and confidently.
