Winter Warning

As the winter months are still ahead and temperatures could drop, the school is taking all necessary precautions to ensure pathways, and the car park are gritted whenever possible. Great caution should still be taken to avoid falls or injuries. The grit/salt used to safeguard you, and your children, is costed through the school budget and therefore must remain on school premises to ensure adequate supplies throughout the winter months.

Sensible Clothing

Please send your child/ren to school with appropriate winter/outdoor clothing e.g. warm waterproof coat, hat, scarf, gloves, non-slip winter footwear/boots, tracksuit bottoms etc. If necessary, indoor shoes could

be brought in to enable your child to change when they get to school or after playtime. We are really enhancing our Outdoor Learning and want all children in the right clothing so they can access their lessons comfortably in the colder weather.

School Funds

May I thank those families who continue to support the school with their regular school fund contributions, much appreciated. This is paid via our School Money App. School Fund money is invaluable in many ways: -

- ✓ Subsidises cost of transport for school trips
- ✓ Pays for many school-based activities
- ✓ Goes towards covering the cost of prizes, badges, weekly certificates and yearly awards etc.

I would encourage you to support our School Fund (£3.50 per child, £6 per family or £35 / £60 paid for the year) as it greatly benefits all the children at school.
