Dear Parent/Guardian,

Many thanks to all of you who took the opportunity to vote in our recent survey on school uniform. We are delighted to have had approximately 160 families, staff and governors responding.

Following analysis of the survey, it has been decided, with a significant majority, to proceed with option A for the next academic year.

The details for Option A are given below:

<b>Boys</b>	Round neck or v-neck school jumper, branded yellow polo t-shirt, branded jogging bottoms/plain black bottoms of the same material and style without the logo.
<b>Girls</b>	Round neck or v-neck school jumper, branded yellow polo t-shirt, branded jogging bottoms/plain black bottoms of the same material and style without the logo.

Within this, 'branded' refers to the current clothing items with the school logo on them. If you do not want to purchase the branded bottoms from C&G, however, you have the option of purchasing the same style and colour (black) of bottoms from other shops. Please note, however, that these bottoms must be completely black, in the same sweatshirt material, with no logos or markings. You will notice from the survey last week that all jumpers were to be round-neck; this was supposed to be the case from this September, however, some of our suppliers have ordered v-neck. Considering this, v-neck will be acceptable for another year.

In terms of footwear, pupils should purchase black trainers in preparation for September.

Once again, thank you for your input; we look forward to seeing the pupils in this uniform in September.

Yours sincerely,

Mr Arnold Hatch  
Chair of the Board of Governors

Mr Andrew Frizzell  
Principal
