

Parent and Pupil Overview

Priorities for 2024-2025

Main Priorities

- Play Based Learning; develop observations and improve pupil experiences.
- Literacy; develop online spelling resources to raise pupil outcomes.
- Nurture; develop Nurture strategies across the whole school and develop a nurturing ethos.

Numeracy and ICT

- Numeracy; develop mental maths skills across the school.
- ICT; improve pupils' experiences in coding, presenting and publishing.

Other Curricular Areas

- World Around Us; develop new experiences in Science and Technology.
- Personal Development and Mutual Understanding; improve pupils' understanding of being a member of a society.
- Physical Education; continue to develop pupils' physical fitness.
- The Arts; build on the range of experiences in music and performance.
- Nursery; develop pupil language through outdoor play experiences.

Further Priorities

- Shared Education; further develop pupil relationships and learning experiences through sharing with Presentation Primary.
- Special Educational Needs; develop a holistic view of pupils and their needs.
