

Rang 3

March-April 2020

Go Noodle or Just Dance are great for brain breaks!

Try and get some fresh air every day – in your garden or just stand at your door!

Use your word cards to practice reading of sight words!

Mata / Mathematics

Number:

- Counting on and back in 10s – practise counting forward and back in multiples of 10 from any number up to 100
- Practice counting on and back in 2s, 5s, odd and even numbers from any number within 100.
- Understand the value of digits within whole numbers – tens and units (deiceanna agus aonaid)
- Practise adding and subtracting 10s and units in column style (without exchanging or 'carrying')

Money:

- Play with different coins up to the value of 50p.
- Use different coins when paying and learn to subtract to make change

Handling Data:

- Use bar charts and pictograms to present information.

Shape, Space and Measure:

Recognise and name properties of 2D and 3D shapes

Please read Week 1&2 pack for more info and ideas!

The World Around Us

Our topic for this term is rather appropriate – "There's No Place Like Home!"

For this topic we will be learning about things in our own home area at first before learning about houses and homes around the world.

Life Skills!

There are lot of other things to learn at home aside from school work. Take this time to teach your child to garden, cook, bake, do small chores, tie their own shoelaces or even how to sort out the washing!

Remember:

It is safe and healthy for us to stay at home for now! 😊

Litearthacht/Literacy

Fónaic na Gaeilge – Phonics

Follow the sounds in Cód na Gaeilge by completing one page of the workbook each day.

Punctuation:

Full stops and capital letters

Question marks

Writing:

Conjunctives – joining sentences using 'agus' (and)

Use your spelling words to make Super Sentences

Use adjectives (describing words) to make sentences better

Write a character description

Write a new ending for your favourite story

Reading:

Read stories together every day. Listen to stories in English and Irish online.

Please see 'Links' section of the school website.
