

Home School Guidance 4 Rang 3 – Fortnightly Directions

A thuismitheoirí,

A number of parents have been in touch about printing difficulties this week. We have decided to print out work packs covering work until the end of the school year. These packs have revision material in addition to some new things we would have learned at school. Each week, I will upload support materials to the website to help with that week's work. e.g. videos, voice notes...

For maths, children will receive a copy of the text book *Mata le Chéile*. Each week/fortnight, I will assign specific activities from that book. *(These may be in a different order to the book!)*

It is our hope that the hard copies of packs will be a help to you in these times. Please **do not worry** if your child does not complete all activities – home learning is very different to the school environment! Encourage them to do their best 😊

Please feel free to share pictures of their work or any other fun activities you have been up to at home. If you would like us to share these on the school Facebook page or the school website, please feel free to tag us online.

Pictures for the website can be emailed to animhaolomhair107@c2kni.net or to the school office on info@gaeloid.doire.ni.sch.uk.

Remember I will be available on Class Dojo during school hours to answer any questions you may have. Thank you all for your continued support. Stay in touch!

Go raibh maith agaibh,

Múinteoir Aisling

Daily Activities

😊 Spellings:

Please message Múinteoir Aisling via ClassDojo if you need help with pronunciation or translation.

Continue to use the homework booklet to practise spellings every day. You could also hold a 'spelling test' at home on Fridays!

😊 Reading:

Irish – Monday, Wednesday and Friday

Seideán Sí – <https://seideansi.ie/rang1.php>

Copy and paste this link to your browser and play Irish reading games

An Chlár Luathléitheoireachta –

http://feedback.ccea.org.uk/curriculum/gaeloideachas/bhonnchéim/réimsí_foghlama/teanga_agus_lit_earthacht/an_clár

Play games based on the reading books we use in school. Rang 3 should use Cluichí Bhanda 2 & Cluichí Bhanda 3

English – Tuesday&Thursday– Lexia – Aim to spend at least 1 hour on Lexia each week. Certificates can be earned which I will email to parents. Every child who spends 60minutes on lexia will also be rewarded with a Class Dojo point.

😊 Phonics:

Irish

- Download the free Cód na Gaeilge app and play at least one game per day
- Continue to complete 1 page of Cód na Gaeilge book per day

English

- Complete 1 page of High Frequency Words booklet every day
- Try reading some books in English on MyON for free - <https://readon.myon.co.uk/>

😊 Key Words:

Irish

Visit Féasta Focal website and complete at least one activity per day to consolidate key words.

****Focus on words 101 – 120****

English

Play games on this website to reinforce key words in English.

Mata/ Maths

Number:

- Know all doubles and near doubles as far as 10.
- E.g. $5 + 5 = 10$ therefore $5 + 4 = 9$
 $3 + 3 = 6$ therefore $3 + 2 = 5$
- Put numbers in order up to 100
- Create 2 addition and 2 subtraction sums from 3 given numbers
- Understand that addition and subtraction are inverse operations
- Understand that for subtraction, the biggest number always comes first

Shape and Space:

- Understand the difference between left and right (Left = “clay” – clé, Right = “jesh” – deis)
- Understand the difference between a full turn, half turn and quarter turn
- Use a BeeBot to give directions. (Download app or play online at <https://scratch.mit.edu/projects/19685257/>)

Measure:

- Investigate and compare lengths of different objects and discuss. (Using m and cm)
- Investigate and compare the weight of different household objects. (Using g)
- Investigate and compare the volume of different things in your home. (Using ml)

Activities:

- Put out the utensils in order of length. *Which is longest? Which is shortest? What's the longest thing you can find in the house? Etc...*
- Weigh things out for baking using scales. Use tins and packets from the cupboards to explore heavy and light (trom “trum” agus éadrom “ay-drum”)
- Find out how many cups it takes to fill a bucket. Measure the liquid in a range of different vessels.

Litearthacht/Literacy

Talking and Listening:

- Practice your songs and poems every day.
- Watch and listen to Feirm Dhaideo and The Giant of Jum
- Listen to a story in Irish every day. Ask your child to tell you what happened in the story, who were the characters etc...
<https://soundcloud.com/search?q=walker%20eireann> (Sound only)
<https://www.bbc.co.uk/programmes/b00tr700> (Video stories)
- Read stories in English or Irish and talk about what happened. Ask the children to retell the story to you in Irish!
- Free stories available at <https://readon.myon.co.uk/> (Look under 'Genre' for fiction)

Writing:

- Continue to use Dialann Obair Bhaile as a diary. They could write one or two sentences each day about one thing they did and how they feel.

e.g. Inniu bhí mé ag dathú isteach. Mhóthaigh mé sásta.

"In-yoo vee may igg da-hu isschock. Waw-hee may sa-sta"

Today I was colouring in. I felt happy.

- Complete work in packs – one page of Literacy and Maths a day. Some of the activities will have an accompanying voice note/video on the website/ClassDojo
- Write out the story of Feirm Dhaideo in your own words. (Use the PowerPoint to help with spelling in Irish.)

Lexia – NEW TARGET – 1 Hour per week on Lexia to earn a certificate. Anyone who completes their full our will be rewarded with Dojo Lexia Points.

Teagasc Críostaí/Religion

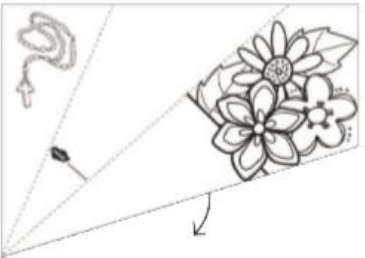

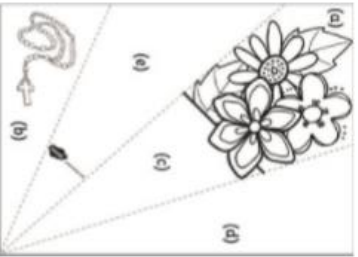

- Continue to practise your prayers
- May is the month of Mary. Create a May altar in your home that you can fill with flowers – real or drawings! Cut out and colour the pictures below to decorate.

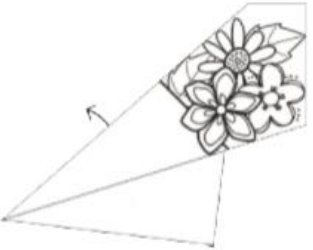

May Altar Flower

Instructions

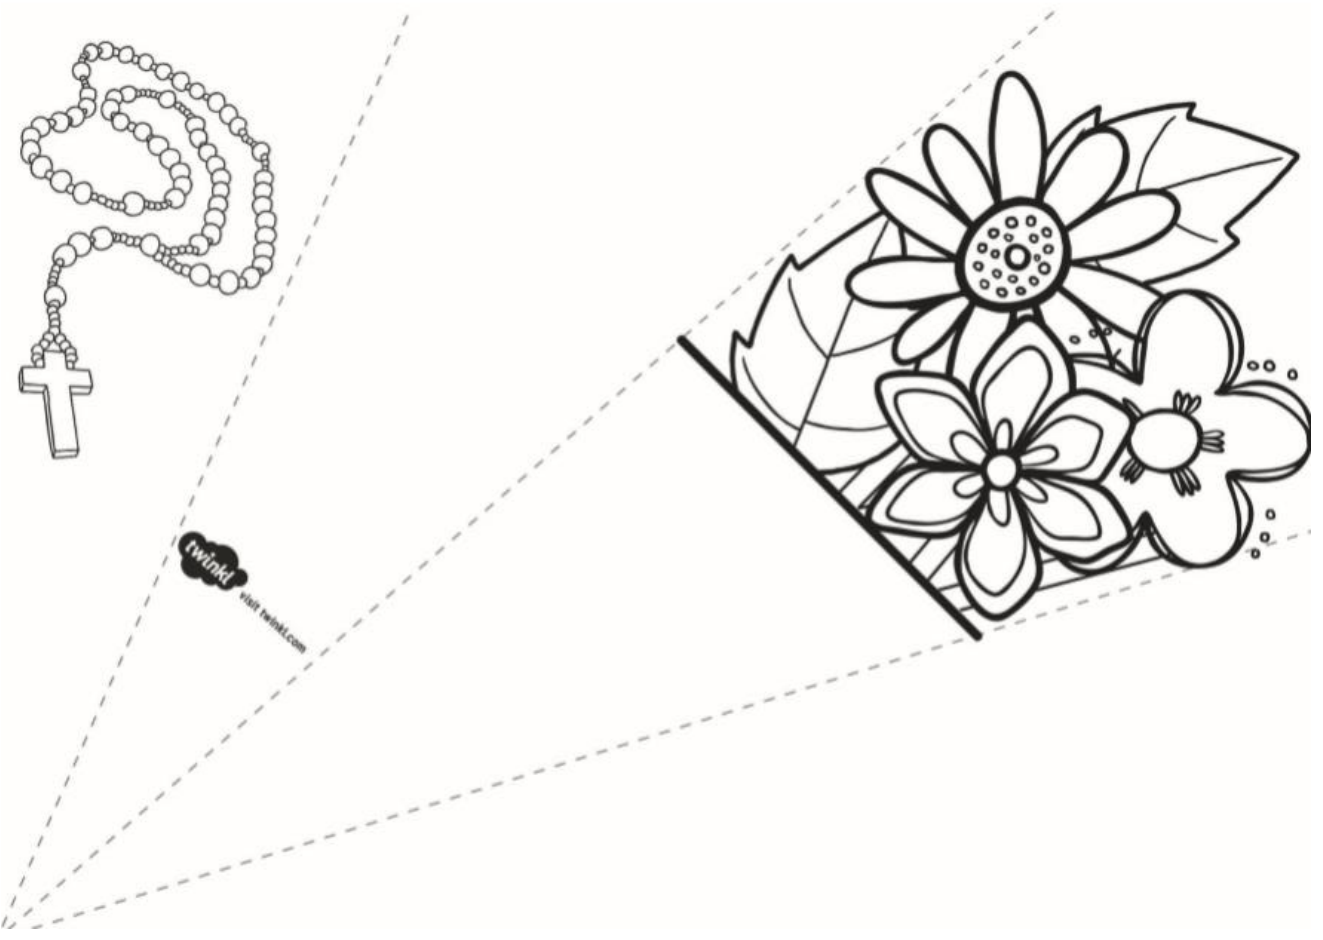

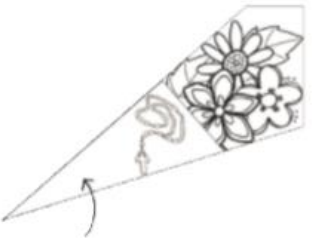

1. Colour in the flowers and the rosary section labelled (a) and (b). You don't need to colour section (c).
2. Fold back section (d) along the dotted line.

3. Fold section (e) behind section (c) so that you can see the back of section (b) on the right hand side.

4. Finally fold section (b) over so that the rosary is at the front of the bouquet and glue to secure.

Ealaín/Art

- **ART ATTACK CHALLENGE!**

Can you make a habitat for the animal you chose for your report? You could use a shoe box and draw plants and animals inside. You could even add grass and stones from your garden if you have some!

Eolaíocht/Science

1. Investigate the birds in your garden.

Can you find 2 different birds to compare?

Draw a picture of them.

Do you have any bird's nests near your home?

Why are the big birds collecting so many worms?

2. Investigate mini-beasts near your home.

Can you fill in the chart below?

Corpoideachas/P.E.

It's important to keep active every day at home. If you have a garden, let the children out to run around and play to burn off some energy. There are lots of online activities for PE on YouTube.

- CorpOideachas le Oisín – PE with Oisín – Search Oisín McV Coaching on Facebook for free PE for kids in Irish
<https://www.facebook.com/OisinMcVCoaching/videos/1236226316708581/>
- PE with Joe Wicks – Live on YouTube every morning at 9am
- Go Noodle – sign up for a free account at www.gonoodle.com for lots of free movement activities
- JustDanceKids – If you type this into YouTube, you will find lots of fun dance videos for children to copy. We sometimes use this on rainy days in school!
- Obstacle course – if you have a garden, encourage children to make an obstacle course with their toys or using pieces of garden furniture/jackets and coats. Encourage jumping, rolling, crawling, dribbling or bouncing a ball, throwing and catching.
- Daily Walk/Cycle
