

TG4 has a range of children's programmes in Irish that are great for keeping up Irish at home. Tune in every morning at 10am for 'Scoil' 😊

## Rang 3

May/June 2020

### Seomra Nuachta

Keep up your Irish practise by logging on to MySchool and checking Seomra Nuachta every day. They have prizes regularly for 'Comment of the Month' and lots of competitions.

Use Séideán Sí and Léigh Anois websites for your Irish reading.

### Mata / Mathematics

#### Number:

- Ordering numbers up to 100
- Complete patterns of 2s, 5s and 10s.
- Begin repeated addition for 2 times tables
- Count in groups of 2s and 5s
- Write 2 addition and 2 subtraction facts for 3 numbers given
- Know doubles and near doubles to 10 and 20
- Know place value of any number up to 100

#### Money:

- Continue to play with different coins up to the value of 50p.
- Use different coins when paying and learn to subtract to make change

#### Handling Data:

- Use bar charts and pictograms to present information.
- Make a tally chart of birds /cars/people you see from your window

#### Shape, Space and Measure:

- Explore and compare capacity of different containers
- Compare weights of different items
- Compare and discuss lengths of household items

### The World Around Us

Our topic for this term is Ainmhithe (Animals). We will be learning fun facts about different types of animals and we will be learning to write a report about our favourite!

### Learning at Home

There is no need to recreate school at home. These are unprecedented times! Use this time to bake, cook dinners, clean, do gardening, play board games etc..

These are all great ways of learning in a different style!

Remember to send in your work or any pictures/baking/poetry/singing that you are proud of to ClassDojo!

### Litearthacht/Literacy

Fónaic na Gaeilge – Phonics

Cód na Gaeilge Céim 6a,b,c

#### Punctuation:
