

Home- school guidance 8 June – 22 June

Dear parent,

Please read the following information on ways you can help your child learn at home.

This is an overview of the work your child is covering over the next two weeks.

Please remember work sheets do not take the place of practical activities which your child requires to fully grasp new concepts/numbers etc.

I will also post up on Dojo guides to help you with the work pack.

Our topic - **Summer** – what do we do in the summer – go to the beach/go on holidays. What is the weather like? etc.

Please keep sending your favourite pictures of all the things that you have been doing at home. All your classmates will love to see these snaps

Send them to info@gaeloid.doire.ni.sch.uk and we will upload them to the school website. – as we cannot upload to the school site from Dojo!

Could you please remember to check your messages and also 'Class Story' on Class Dojo as I will continue to post activities and audio to help with learning.

Many thanks,

Múinteoir Caroline
