

## Rang 7

Can I just stress from the beginning, it is very difficult to create school at home, you are doing your very best so don't tie yourself up in knots. Take regular breaks, do enjoyable things together and relax. I know I've a few online educational games mentioned but please try to limit the amount of time children are online. Read the guidelines that are on the website.

I realise it is very difficult to continue with schoolwork when some aspects haven't been taught. Below are some of the work I would be covering in class if the situation was different. I'm not suggesting that everything has to be covered, give a few things a go and remember don't be stressing out about it. You are doing your best and the social aspect of things are just as if not more important in these times. Children will also be anxious and worried so it's important to do things together as well. Baking, building with lego, playing board games, jenga, jigsaws, cards, arts and crafts using bits and pieces around the house and other games are just as important.

RTE2 will air a Home School Bilingual Hub every day from 11am-12 noon. Follow up work after the hour will be available at [rte.ie/learn](http://rte.ie/learn) for each year group.

I also realise that some homes may not have great internet speed or there may be more than 1 child looking to use the tablet/laptop, don't worry if this is the case. These are only suggestions but it is important that reading and spelling is kept up. The tables are needed for nearly all aspects of Maths, so knowing the tables really well is very important so keep practicing.

The online games and the links under Spás Daltaí are not just from now until Easter as there is a lot mentioned but for your child to continue with afterwards as well.

Gaeilge: **Red-links**      **Green-games**

Links under Spás Daltaí:

[Séideán Sí](#)-Rang 3-6-[Siollaí & an Aimsir Láithreach](#) (right hand side-click Caol le caol, leathan le leathan)

[An Aimsir Láithreach](#)-(present tense-play games on the right hand side)

[Snas ar Scéal](#): [Cluichí EC2](#)- 'So' nó 'Do'

[Cad é an réamhfocal](#) (preposition) [atá de dhíth?](#)

[Cártaí EC2](#): Learn No. 18 [Cad é do bharúil?](#) (ways of saying what do you think)
