Toilleadh / Capacity

Aimsigh soithí difriúla i do theach agus amharc ar an lipéad atá orthu. Cá mhéad ml atá iontu? Scríobh na freagraí isteach sa tábla.

Look around your house for different containers (e.g. milk carton, juice carton, fairy liquid srl.) read the label carefully and find out how many millilitres or litres they contain. Write your answer in the table below.

Container (name of item)	How many ml / l?

A thuismitheoirí, iarr ar do pháiste amharc ar na freagraí a fuair siad agus smaoinigh faoi cé acu atá níos lú / níos mó ná lítear.

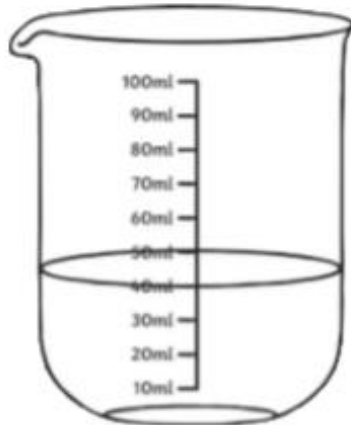

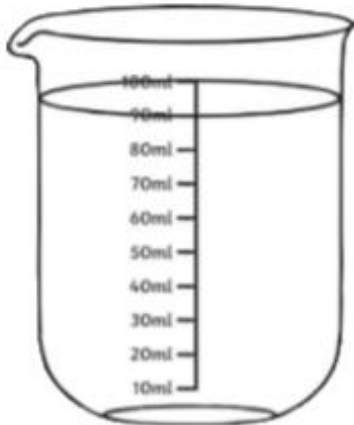

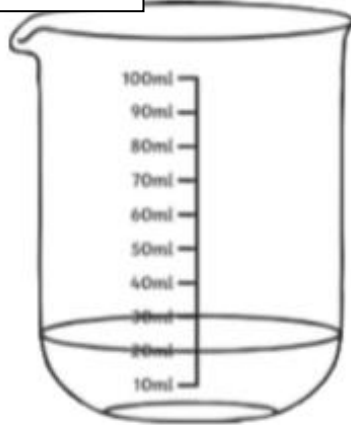

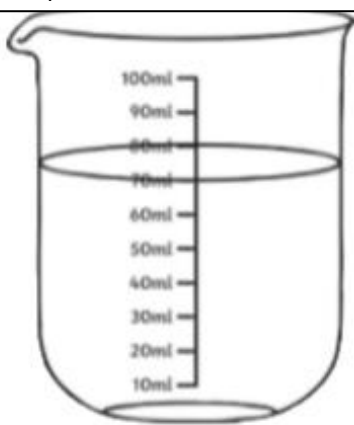

Parents, encourage your child to look at the different amounts they got and to think if the answers are more than or less than a litre / 1000ml.
