

Communication Statement Scoil an Droichid Primary School

Work on the design/planning of the new build for Scoil an Droichid is entering the final stages. As you know, our new school site is situated on the former Ulidia Resource Centre site off Cross Parade, Ormeau Road.

The scheme is currently at the final stages before construction on-site begins, i.e. RIBA Stage 4 (Technical Design).

The Pre-Qualification Questionnaire (PQQ) exercise has been completed and the Integrated Consultant Team (Amey FMP) are currently preparing for the Invitation to Tender(ITT) Stage, where the Construction Team will be appointed to start on site.

We expect the Construction Team to be appointed and to begin work on site within the next year.

The scheme's Project Board, which includes representatives from the school, the Comhairle na Gaelscolaíochta, the Education Authority and the Department of Education will continue to provide updates as the scheme progresses.
