Tá níos mó eolais ar fáil ón Polasaí Bhus.

Tinreamh and Poncúlacht

Ceann de na fachtóirí is mó a rachaidh i bhfeidhm ar oideachas do pháiste ná an ràta tinrimh a bheas aige, go háirithe sa tumoideachas Gaeilge. Is cuma faoin leibheál ábaltachta deánfaidh gach páiste a thagann chun na scoile go rialta agus a chomhlíonann an obair a thugtar dóibh dul chun cinn. Nuair atá leanbh tinn seal is furast ag an mhúinteoir deileáil leis nó go mbíonn a fhios aige cad é atá caillte ag an leanbh ach do leanbh a chailleann lá anseo 'is ansúid go rialta is doiligh modhnóireacht a dhéanamh ar an obair agus is neamhrialta an dul chun cinn a dhéanfas an leanbh sin. Tà sé suas duitse mar thuismitheoir dearcadh dearfach i léith dul chun na scoile a chothú ón chéad lá i Rang a hAon.
Is amhlaidh an scéal le ponctúlacht. Ba chóir do gach páiste bheith ar scoil roimh 9.oo r.n. réidh le toiseacht ar an lá scoile. Is cur isteach ar gach duine é páistí ag siúl isteach i lár ceachta.

Tinneas

I gcás tinnis a mhaireann níos mó ná trí lá is gá nóta dochtúra/mínithe a chur chuig an scoil. Deánfaidh scairt gútháin i gcásanna eile.

Imeacht roimh dheireadh an lae

Caithfear teagbháil a dheánamh leis an oifig má tá ar thuismitheoir leanbh a thabhairt amach on scoil i rith am scoile no teagmhail a dhéanamh linn roimh ré más féidir,i gcás coinne atá socraithe.

The School mini-bus is available to children from the North of the City, Ballynafeigh and Rosetta. The Mini-bus will transport children home to these areas as well as the Short Strand and the Markets. The bus will leave the children at designated places and the **must** be collected by an adult.

The school's **Bus Policy** will give more details about bus arrangements .

Attendance and Punctuality

One of the most significant factors that will influence your child's performance in school will be his rate of attendance, especially in immersion type education. Regardless of ability level, all children who consistently attend school and complete the work given to them will make progress. If a child is ill for a period of time this can be handled quite easily by the class teacher as she is aware of the work the child has missed, but when short periods are missed frequently, the child's work becomes very difficult to monitor and progress becomes erratic. It is up to you as a parent to instill a positive attitude towards attending school from the first day in Primary One. Punctuality is of the same importance. Every child should be in school and ready to begin their day's work at 9.30a.m. It is very disruptive to all in class if a child arrives in during a lesson.

Sickness

In the case of an illness which lasts longer than three days it is necessary to send a doctors/explanatory note into school. In other cases a phone call will suffice.

Leaving before the end of the day

Permission must be sought before removing a child from school during school hours. If you must bring your child out during this time, where possible, let the school know of appointments beforehand.

The Curriculum

The children receive as broad and balanced an education as possible according to their needs. They are taught the subjects of the Areas of Study of the Northern Ireland Curriculum under the terms of the Education Reform Order (NI) 1989. The curriculum is delivered through the medium of Irish but English is also taught as it is the predominant language of the society in which the child exists.

The following areas of study are delivered:

- Language & Literacy — Irish; English
- Mathematics & Numeracy
- The World Around Us
- The Arts (Art/Music/PE)
- Personal Development and Mutual Understanding
- Physical Development and Movement

Special Needs Education

Every effort is made to develop each child's talents. Special Educational Needs are recognized and appropriate support is given to the child. The
BELB policy on Special Educational Needs is in place in school and the outside services are available to us when required. The school will follow the guidelines laid down by the Code of Practice 1998.

Assessment and Reporting

The children are continuously assessed during teaching and through homework. Evidence is collected from class-work and a file of all the children's work containing samples from every area of the curriculum is kept throughout the year.

Personal interviews are held in February to inform the parents of their child's progress and a written report is sent out at the end of June.

Formal assessment takes place at the end of Key Stage 1 in accordance with CCEA rules and levels in Mathematics and Irish are given to each child at the end of Year 4 and 7. English is also assessed at the end of P7. These results are monitored by CCEA.
