

Dear Friend,

On behalf of Lagan College and Lough View Integrated Primary School in Belfast, I am writing to ask you to support our Charity Golf Day in memory of Mr Gary Wardlow, former PGA Professional golfer at Spa Golf Club, Ballynahinch.

Gary's untimely and sudden passing at the age of 42 came as a huge shock to our school communities as well as the Irish golfing family. He is survived by his wife Susanne and their sons Jaxon (Lagan College), Luke and Carter (Lough View Integrated).

The Golf Day will take place on Thursday 16th May at Spa, with the first fourball teeing off at 1.15pm.

At the request of the Wardlow family, we will be supporting the work of the Integrated Education Fund (IEF), an organisation that supports the growth and development of Integrated schools such as ours.

We would be delighted if your company could consider supporting this special event. There are several ways you could do this:

- Booking a Fourball (£160 per team)
- Sponsor a Hole (£250)
- Fourball and Hole Sponsorship (£400)
- Event Sponsor (£1,000)

Alternatively, you may wish to provide a prize for the event or simply make a donation.

All companies who support our event will be included in our event booklet and feature across all our social media channels. Between our schools, we provide an Integrated Education to over 2,000 children and young people every day and our social media channels have a reach of over 8,000 followers. The IEF will also promote the event extensively including a feature in its Learning Together magazine which is circulated widely and internationally.

More information on the event is available at <https://www.loughviewintegrated.co.uk/golf-day/>

I look forward to hearing from you.

Yours faithfully

Sean Spillane

Principal, Lough View Integrated Primary School

On behalf of the organising committee
