

*'Forward Together in Friendship and Faith'*

**JONESBORO'PRIMARY SCHOOL**

Wednesday, 31 March 2021

**A Thuismitheoirí / Dear Parents**

**We are planning an 'After School' class, 'STEAM: Coding Club' provided by 'Glow' group.**

**The details of these sessions are in the poster attached. These will take place in term 3 after the Easter Holidays and are suitable for primaries 4-7. The cost is payable as per the details contained in the leaflet.**

**If you are interested in sending your child to this activity we would ask you to inform us by simply sending a message to [dkeenan374@c2kni.net](mailto:dkeenan374@c2kni.net) before 3.0'clock tomorrow, Thursday 1<sup>st</sup> April.**

Yours sincerely

## S.T.E.A.M Coding Club

- After School Club -

The STEAM coding club involves pupils tinkering with art, electronic and everyday materials to acquire an understanding of how the world around them works. We support their introduction to science, technology, engineering, arts and maths (STEAM) through fun, engaging activities and projects where they learn how they can demonstrate core scientific principles or create innovations of their own through the use of coding. Our artist-maker ethos prioritizes discovery through age-appropriate experimentation, knowledge-building exercises and practical application of theory in a fun, interactive environment.

460  
for 12x1  
hour lessons

Every Wednesday from 3-4pm

S.T.E.A.M Coding Club will engage young people in fun, hands on activities that will support the learning of STEM subjects in an independent home setting, using the
