A Thuismitheoirí / Dear Parents

We will be starting an After School homework club for children in primaries Four to Seven beginning Monday 26th February. This would follow similar arrangements to the Foundation Stage After School in that it would be for one hour from 3.00 to 4.00pm. Children will also be able to attend on any day from Monday to Thursday. We would ask that children provide a donation of £2 on each day of attendance.

The 'homework club' will enable children to do some of their weekly homework with supervision and some support from Teaching assistants. Children will of-course have to finish any homework activities at home which they don't manage to complete in the After School time allocation.

We would of-course still encourage parents to support their children with daily reading and to monitor their completed homeworks as normal.

Le meas / Yours sincerely

Donal Keenan
