**Attachments:** Parental Consent Form.docx

Dear Parent,

Please note the following updates regarding the afterschool programmes starting this week:

- Children can wear their PE to school if they are attending afterschool clubs that afternoon;
- AB Coaching has been contacted regarding the number of weeks and costs related to the programme. They have reassured us that it should state **8 weeks at £24**, instead of **6 weeks at £18**. They are working to try and change this at the minute. In the meantime, please complete the form as it is to register your child and make the appropriate payment.
- Any child in Primary 1 and 2 who is staying for afterschools, and who is a member of a family entitled to free home-to-school transport, may get the bus home at 3pm.

### CONSENT FORMS:

Consent forms for Burns are attached to this email. Please complete and email back to your child's class teacher. These will be printed out in school for the Coach.
