### Language Development

World Book Day 6th March 2025

Listen to the ['The Very Hungry Caterpillar'](#)

Take part in a Library Scavenger Hunt - see resource card and complete using the books you have at home.

### Early Mathematical Experiences

#### Monster Math:

Simply draw an outline of a monster and roll the dice to determine how many features you need to add. E.g. eyes- 3/ spots- 4.

See resource card for full instructions 😊

### The Arts

We have observed some flowers growing in our outdoor space! A lovely first sign of Spring 😊  
Why not create your very own flowers using some simple resources. See resource card.

### The World Around Us

We have been learning all about different modes of transport and how to keep safe on the road. Have a go at creating a traffic light biscuit- use a plain biscuit, icing and three coloured skittles. Green for go/ Amber for get ready/ Red for stop. Talk to your child about how to cross the road safely.

Feb Week 3

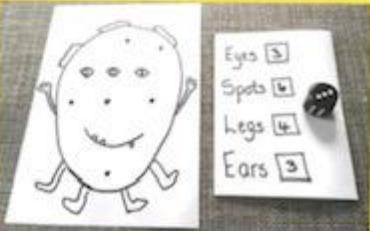

## Monster Making

Children love to create monsters, so why not incorporate a little maths to increase the fun.

Simply draw the outline of your monster and roll the dice to determine how many features you need to add.

Great for counting, recording numbers, fine motor development and for having fun!

Eyes	3
Spots	4
Legs	4
Ears	3

## Act Out a Story

Choose a well known story such as Goldilocks & the Three Bears. Read the story together, make masks and act it out. Whole family could join in, or together take on lots of parts. Enjoy!

## Toilet Roll Printing

Such a simple, wonderful activity. You need paint, paper and some toilet rolls for printing.

I added a green pen for the stems and leaves but you could easily paint them in.

### Tell us....

What's your favourite book?	Name a book character that reminds you of someone you know.
Which book are you reading at the moment?	Name one book that you've read over and over again.
