

Home Learning March Week 4

Personal, Social and Emotional Development

Learn about the real meaning of Easter by listening to this Easter Story on YouTube:

[Easter Story](#)

Have fun exploring emotions by making some plastic Easter Egg Emotion Faces. If you have no plastic eggs use some hardboiled eggs instead - see resource card.

Physical Development

Join in with [Easter Egg Hunt Workout & Dance Party for kids](#)

Join in with [Easter Bunny Dance & Freeze](#)

Join in with [Sleeping Bunny Song](#)

Language Development

Listen to the story '[Spots First Easter](#)' on YouTube

Ask some questions: who hid the eggs for Spot? Who helped Spot search for the eggs? How many eggs were they searching for? Who found the 1st, 2nd egg etc?

Design your own Easter Egg - see resource card for ideas.

Early Mathematical Experiences

Complete the Easter Counting activities on the resource card.

Play the Topmarks [Easter Counting Game](#)

Listen to [10 Little Bunnies Song](#) on YouTube

The Arts

Join Mr Hullabaloo & Friends for a [Virtual Easter Show](#)

See resource card for instructions on how to make Easter Maracas and join [Karen Diamond for a music lesson](#) using the following link

The World Around Us

Use the step-by-step guide contained in the link below to make some delicious [Easter Nests](#)

Home Learning March Week 4

**Easter Egg Basket
Draw and Count**

Draw the following eggs to fill up your basket:

- 2 blue eggs
- 1 pink egg
- 2 green eggs
- 3 yellow eggs

Draw your own Easter basket.

Give your child the instruction e.g. draw 2 blue eggs inside the basket.

There are _____ Easter eggs in my basket!

Easter Art

Using natural materials to decorate egg shaped cardboard/ paper

Using a fork and paint to create an Easter chick

Painting patterns on pebbles

Using a toilet roll holder and paint to create Easter bunnies and eggs

Design your own Easter egg

You might like to create a patterned egg

Use lots of colour and shapes

Useful Links

[Bunny Hokey Pokey](#)

[The way the Bunny hops](#)

B-U-N-N-Y

Count how many of each you can see.

Easter I Spy and Count to 10

Draw a range of emotions on hard boiled eggs

See below for lots of examples

Can you create your own maracas?

Maracas Made From Plastic Eggs, Recycle Those Easter Eggs!

What is needed:
plastic Easter eggs
plastic spoons
Tape
Something to fill the eggs e.g. rice, pasta etc.

- ✓ Fill your eggs with rice, pasta, buttons etc.
- ✓ Place plastic spoons on each side of the egg.
- ✓ Wrap tape around the secure the spoons on to the egg.
- ✓ Shake shake shake!
