

Dear Parents / Guardians,

We are delighted to inform you that the PABS Book Fair is operating from the School Hall again this year, **on Thursday 4th December**.

Parents and guardians are welcome to attend any time after 9:30am via the front door only. Children may not be excused from classes to attend the fair with their parents. The fair will close at 2pm.

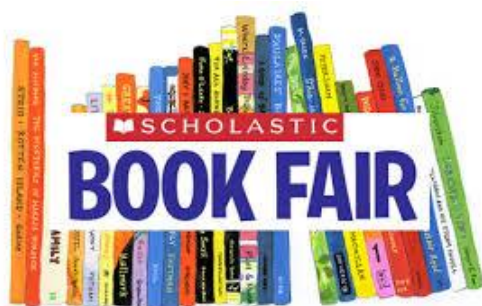

Junior and Senior infants are welcome to visit the fair directly after school with their parents but must leave the premises after school and reenter via the front door.

All other students will have the opportunity to visit with their teachers during the day and are welcome to bring some money if you wish.

If you would like to browse the books beforehand, you can do so using this link:
