Back to School

School books and copies are being provided from the grant provided by the Department of Education.

When the budget for copies/books is gone parents will have to purchase any new copies or books required.

All books and workbooks remain the property of the school. If your child loses or damages the books they will have to be replaced by you.

If your child has zip lock folders, provided by the school last year, they should be brought back to school for use this year.

During the year teachers photocopy materials for your child. There is a large cost for this – paper, toner, photocopier etc. During the year classes also do Art and Craft materials. To help the school fund all of this we ask each parent to contribute 20 Euro per child (50 Euro per family). This can be paid in the office.

What your child needs when returning to school:

Class	Materials Needed
Senior Infants	School Bag big enough to hold a child's reading folder/workbook Pencil Case - containing ruler, sharpener and eraser. Children in Senior Infants use Faber Castell Junior Grip pencils to write with. 1 Medium Sized Pritt Stick 1 packet of Twistable Crayons <i>Please label your child's belongings</i>
