Monday 3rd January 2022

Dear parents/guardians,

A very Happy New year to our whole school community. I do hope that both you and your family had a restful Christmas break. With the high rates of COVID- 19 in the area, I can also assume that some of our families were unfortunately impacted at some stage over the holiday.

Despite the high rates of infection, I am pleased that the Department of Education have given the go ahead for schools to reopen as normal for term 2 and as such our school will reopen tomorrow **Tuesday 4th January** for all children (**8:15am for breakfast club and 9am for all other pupils**). We ask that all children on return to school bring with them the uncompleted packs that were given to them during the last week of term 1.

As requested in November we also ask parents to consider not sending their child/children to school if there is COVID- 19 in your household. We will, as before, provide these children with a learning pack to complete during the required isolation period. If this is the case please let us know by emailing or calling the school tomorrow morning.

I do expect the early part of Term 2 to cause issues due to COVID- 19 but with continued effective communication between home and school I hope that we will be able to minimise any potential disruption to school life for all children.

Happy New Year to everyone and see you all in the near future.

Kind regards

Mr Bogle
