

Our Nursery School's Vision

In Dunclug Nursery School we are committed to providing a happy, safe and stimulating environment to support young children's learning and development.

We recognise that the children in our care have individual interests, characteristics and needs and aim to enable each child to develop positive attitudes about themselves and towards their learning by –

- providing experiences that extend learning and challenge thinking
- maintaining positive relationships as a staff team, with our children, their parents, the community, the Board of Governors and other relevant agencies
- promoting the health and wellbeing of our staff, children and their families
- inspiring and developing all members of our school community
