Any reference herein to the term the Board of Governors includes any Committee or Sub-Committee appointed by the Board of Governors for the purposes of applying the Admissions Criteria set out herein.

## ADMISSIONS CRITERIA 2023

The results of the tests will be ranked by GL Entrance Assessment as follows:

A, B1, B2, C1, C2 and D.

- 1 Applicants will be admitted in grade order of priority beginning with grade A and followed by grades B1, B2, C1, C2 and D.

Or

Applicants for whom Special Circumstances/Special Provision have been accepted by the authorised Sub-Committee of the Board of Governors and who are deemed to be of comparable ability to those being considered within the relevant Grade boundary.

- 2 If there are more applicants with a particular grade than places remaining, then the available places will be allocated by the application of the following sub-criteria in the order of priority set down below:

- (i) Applicants who, at the date of application, have a child of the family\* currently enrolled at the College or who will be in the coming year.
- (ii) Applicants who, at the date of their application, are the eldest child of the family to be eligible\*\* to apply for admission to the College.

\*Child of the family as defined in DENI Circular 2022/15. The Department considers that “child of the family” covers:

- a child born to a single parent;
- a child of either/any of those people by a previous marriage, civil partnership or relationship;

- 3 In the event of oversubscription after the application of sub-criteria 2 (i-ii), applicants will be selected for admission on the basis of initial letter(s) of surname as entered on the pupil’s long birth certificate in the order set out below:

**T M A P Z H L Mc X W V Mac J U K D C S F R E O I G Y N B Q**

This order was determined by random selection and witnessed by an independent adjudicator.

It is a post examination adjustment to the grade of a candidate who is eligible for consideration. Where a need or problem is identified in advance of the test taking place, candidates must apply for Access Arrangements or, where applicable, take the Supplementary GL Entrance Assessment Test. - Circumstances relating to the application must apply at the time of the assessment and be supported by all relevant documentation including any and all written evidence to substantiate or support “the circumstances” as set out in the Special Circumstances application. Any written evidence provided by a relevant professional must support the circumstances as set out in the Special Circumstances application and if appropriate originate from the relevant professional with such knowledge of the circumstances. No alteration of grade will be considered without such evidence.
- An initial notification of a claim for Special Circumstances must be made **by 2.00 pm on Wednesday 14 December 2022 (time being of the essence)**, using the appropriate form available from the College. - The authorised sub-committee of the Board of Governors, on the basis of all documented evidence available to them at the time of reaching their decisions, will decide the grade to be used in the application of the Admissions Criteria to applicants under Special Circumstances applications. The Admissions Criteria shall then be applied.

## SPECIAL PROVISION

Special Provision will be made by the Board of Governors for:

- a) Children who are transferring from primary schools outside Northern Ireland or who have recently moved to Northern Ireland.
- b) Children who have received more than half of their primary education outside Northern Ireland.
- c) Children whose educational provision to date has been negatively affected by serious medical or other problems supported by independent, verifiable documentary evidence and who, as a consequence, may have been unable to sit either the GL Entrance Test or the GL Supplementary Test.

Applicants from categories a) and b) above, who wish to apply under Special Provision do not need to take the GL Entrance Assessment or the Supplementary Assessment unless their parents/guardians so wish, in which case the GL Entrance Assessment grade obtained will also be considered.

The parents/guardians of Applicants claiming Special Provision must complete SP1 Form available from the College stating the case for eligibility under this category and return it to the College by **2.00 pm on Friday 17 February 2023**. If a child is moving/arrives in Northern Ireland after this date, claims for Special Provision must be made directly to Thornhill College and the EA School Admissions Office notified. It is the responsibility of parents/guardians to provide precise reasons why the applicant did not take part in the GL Entrance Assessment and to submit appropriate documentary evidence relating to their specific reason for Special Provision application, in order to assist the Sub-Committee of the Board of Governors with its deliberations.

The authorised Sub-Committee of the Board of Governors will expect to see any recent primary school reports and may require an assessment of the applicant's ability to be carried out by a suitably qualified person or body approved by the College. The Admissions Committee will decide whether applicants shall be admitted on the basis that they fall within the ability range of other pupils being admitted in that year. Thereafter applications will be assessed by the application of sub-criteria as set out above.
