

Dear Parents,

Thank you for reading this second letter which follows our initial information that we have a positive Covid-19 test result for a member of our school community. We continue to support our school family during this time and our thoughts are with them.

Although Out of Hours PHA, Governors and I took the decision to close the P4 H/C class bubble for Monday 5th October 2020 as a precaution, there has been a further risk assessment completed with the PHA Education arm.

Following this conversation, the Board of Governors and I have been advised by PHA to keep P4 H/C closed for the next ten days. **The class will return on Thursday 15th October 2020 at 8.45am.**

I do appreciate the concerns of you as parents, pupils, and the wider school community and I wish to reassure you that every precaution has been taken at this time. Your other children who attend Nettlefield do not need to self-isolate unless a pupil from this class begins to exhibit symptoms of Covid-19. At this point the family would self-isolate, school and the PHA should also be contacted.

Ensuring the safety of all pupils and staff is my absolute priority and I will continue to monitor this situation carefully and keep you informed.

If you have a personal query/concern please do not hesitate to contact me on the school email address, help@nettlefield.co.uk. Schoolwork will continue via Seesaw Class so it is essential that families access the Seesaw Class app. If you have any issues, please contact school.

As a school family we would really appreciate that everyone would respect the confidentiality of this family and our school policy that asks for **all communication on Seesaw to remain private and not shared on social media.**

Many thanks in advance for your understanding in this.

Kind Regards,

Mr S. McLean
Principal
