

Nettlefield News

1st October 2021

School Snack

School Snack will be starting for all pupils on 4th October 2021. The cost is priced at £2.50 per week to cover costs. Please ensure this is paid for on the Teachers 2 Parents school app for your child to receive a healthy treat each day. They will not need to bring a break if this is paid. We realise this will be a very popular option for families.

School Interviews

Monday 18th – Thursday 24th October 2021. To help specify times and dates that would suit you please complete our information form here

<https://forms.office.com/r/DMAanhaP7jB>

School Fund

School Fund is also due on the School Money app. This is a contribution for Arts and Crafts materials in P1-P4 and Photocopying costs in P5 – P7. Cost is £5 per pupil or £10 per family. We very much appreciate this financial support for 2021/22.

Class of the Month - Uniform

A huge 'Well Done!' to our classes of the month! P2M in Foundation Stage / Key Stage 1 and P5W in Key Stage 2 have scored the most points for showing excellent uniform standards every day in September. Please continue to work on this! We love the effort!

We are excited to see them enjoy their popcorn party prize next week!

As a health and safety concern, we do ask that earrings are not worn to school. We also want to thank everyone who has partnered with us on this as, when counted, 95% of our school community do not wear earrings to school at all. This equals 385 pupils!

2022 Nursery/P1 Entry

We have begun preparing for our 2021 Open Night, but our expression of interest in a place is online for families at www.nettlefield.co.uk

School Photos

This week, we had our school photographer visit. He has *already* given us a sign in sheet to view proofs of your child's photo next week. Make sure you find this leaflet in your child's bag to sign up and see the great work. We will also be holding a third mop up session for any children missed this week.

Star of the Month

September 2021

Class	Name
P1 AK	Ahmed Abdaljabar
P1 AG	Aimee Jack
P2 FE	Olivier Lapczynski

Well done to all these pupils for the past month at school!	

Remember! If you have any concerns or queries, please do not hesitate to contact Mr McLean on Help@Nettlefield.co.uk

School Money user guide

The School Money app is the easiest way to pay for things. Meals must be purchased at least a day before and meals can be bought or booked for the following week.

Get the app

Go to your app store and search for **Teachers2Parents**

Download the app

Once downloaded, key in your mobile number.

If your mobile number matches the one held in school, you will be registered, and your child's / children's names will appear along the top.

Using the app

Select the option button (top left)

Choose **Dinners** to purchase a meal

Or choose **Payments** to pay for school fund, fun days, snack or ties

Purchasing a dinner

Select **Meal** for each day of the week.

(If on free school meals there will be no charge)

Press the + to add to the basket.

Click the basket (top right) to be taken to the payment screen to pay

Having problems?

The app tells you it does not recognise you – It could be because the school system has a different number listed for you. Email or message the school Facebook page and tell us the correct number.

The app tells you there's no registered email address – email or message the school Facebook page and give us your email address.

Please Note:
This app is designed specifically for parents/guardians of students whose school uses the Teachers2Parents and/or SchoolMoney service. In order to register, your child's school must use the Teachers2Parents and/or SchoolMoney service with your details on their records. If you are unable to register please contact your child's school.
