2022 Nursery/P1 Entry

We have begun preparing for our 2021 Open Night, but our expression of interest in a place is online for families at www.nettlefield.co.uk

Absence and Illness

This week, our Education Welfare Officer, Ms Brigid Speers came to school to start the year's review of attendance.

We must remind parents that it is essential that every absence is noted and explained to prevent the need for EWO involvement.

Families supported by the EWO find this is a positive process, but it does not change the fact that children need to regularly attend school in order to progress and do well.

Absences from school should be reported to the school office where attendance figures are recorded. You can also complete our form here
