Be Bright Be Seen!

Thank you for the fantastic support for our Be Bright Be Seen day at school, our children looked fantastic! We are very thankful for the opportunity to raise money for school funds!

Half Term Break (Halloween Holidays)

Please remember school is now closed for a week and one day. We will be on holiday from Friday 22nd October 2021. And School will reopen on Tuesday 2nd November 2021 for all pupils after our School Development Day. Please remember school opens at 8.45am and do not come to the playground before this time.

School Code of Conduct

Each year we work hard to share with parents our school code of conduct for parents and carers. This is an important document that sets our school and Governors' expectations regarding conduct in our school.

We would encourage families to read and take these expectations on board.

Should there be any concerns or queries, please do not hesitate to contact Mr McLean on Help@Nettlefield.co.uk

Breakfast Club

We are hoping that Breakfast Club will return in the coming months to provide a service for our children between 8am and 8.45am on a set number of days.

This will also be subject to Covid risk assessments but we are keen to hear from parents so we can run a programme that benefits our children. Please share your interest and ideas through this link.

Nettlefield Primary School has a code of conduct for parents. Its purpose is:

To provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

The school expects parents and carers to:

- Respect the caring ethos of the school
- Understand that parents and teachers need to work together for the benefit of children
- Demonstrate in their own behaviour that all members of the school community should be treated with respect and understand that even if there is conflict due to a staff oversight, parents must remain calm and respectful.
- Approach school staff to help resolve issues at an appropriate time and place,
- Work with the school to build relationships with its staff
- Know that children cannot be moved class or year group on request of the parent
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue
- Correct their own child's behaviour, especially where it could lead to conflict
- Avoid using staff as threats to admonish children

In order to support a peaceful and safe school environment the school does not tolerate:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, office or other area of school grounds
- Loud or offensive language, swearing, cursing or displaying temper
- Threatening to do actual bodily harm to a member of school staff, governor, visitor, parent/carer or pupil
- Damaging or destroying school property
- Sending abusive or threatening emails, text/voicemail/phone messages or other written communication
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff at the school on Facebook or other social media sites
- The use of physical aggression towards another adult or child. This includes physically punishing your own child on school premises
- Chastising someone else's child
- Smoking, or consuming alcohol or drugs whilst on school property
- Bringing dogs on to school premises

If any of these behaviours occur, the school may contact the appropriate authorities and, if necessary, ban the offending adult from entering school grounds.

Social Media Accounts / Websites
(including Facebook, Instagram, Twitter, TikTok and more)

Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff are unacceptable.

Any concerns you may have about the school must be made known through the appropriate channels by speaking to the class teacher, the Principal or the Chair of Governors, so that they can be dealt with fairly, appropriately and effectively for all concerned.

In the event that any pupil or parent/carer of a child being educated at Nettlefield Primary is found to be posting libellous or defamatory comments on a social network site, their account will be reported to the social media platform. The school will also expect that any parent/carer or pupil removes such comments/material immediately and should be required, an invitation to give an account to a panel of the Board of Governors (regarding the post) will be provided.

In serious cases, the school will also consider its legal options to deal with any such misuse of social networking and other sites.

Thank you for your co-operation in ensuring all children at Nettlefield Primary School remain happy, confident and successful.
