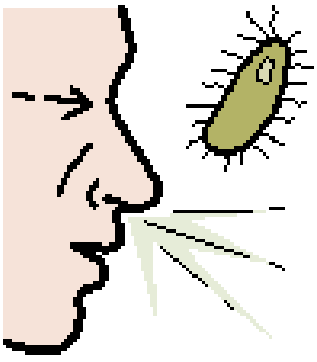
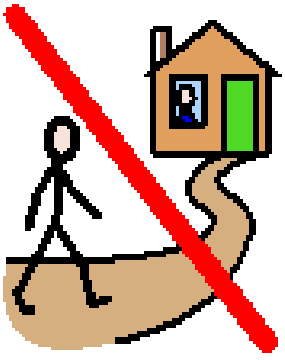
I can

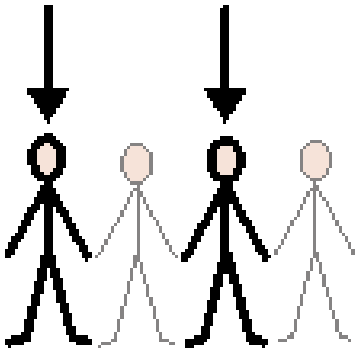
not visit.

Because of the

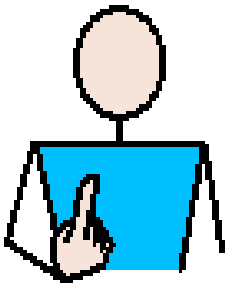


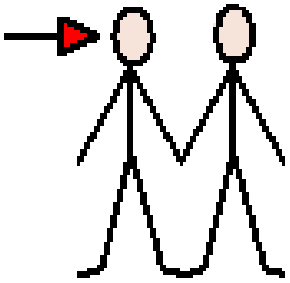
Corona virus or COVID- 19



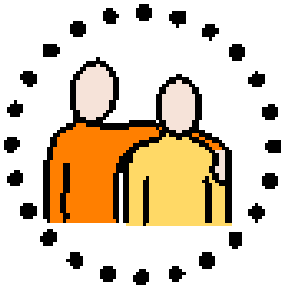


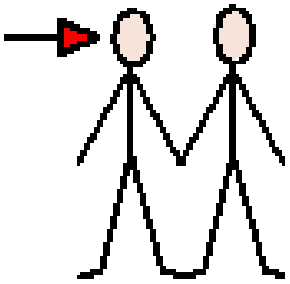
I can not visit some people.

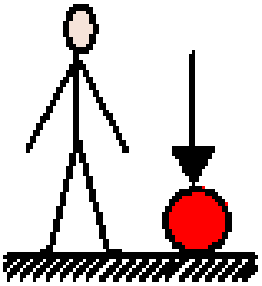




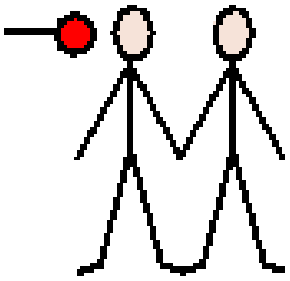
I need to keep them

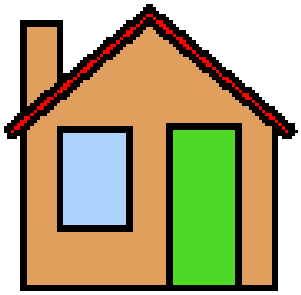


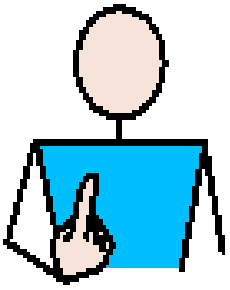




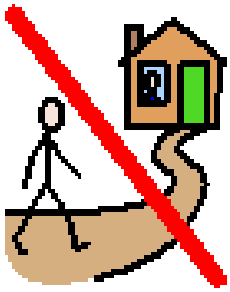
safe. They will stay at



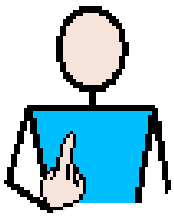


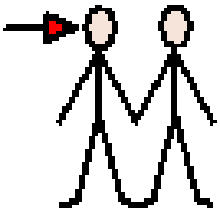


their house, I will

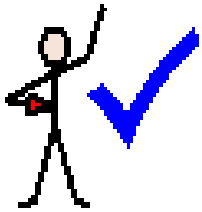


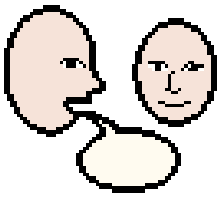
not visit.

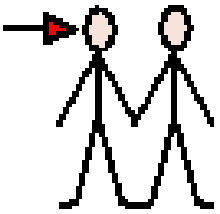


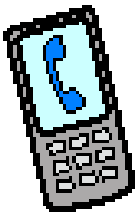


If I miss them:

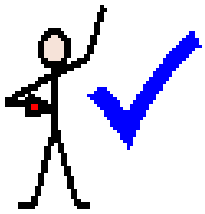


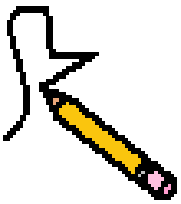


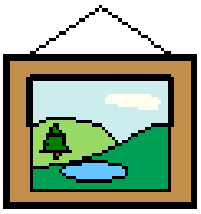




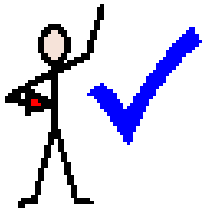
I can talk to them on the phone

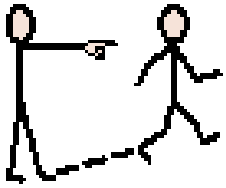


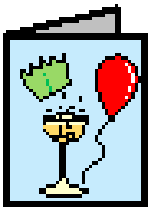




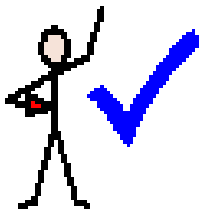
I can draw them a picture.

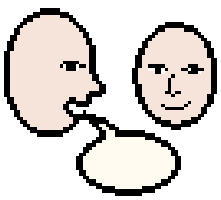




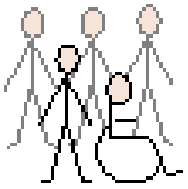


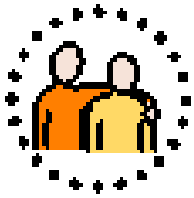
I can send them a card



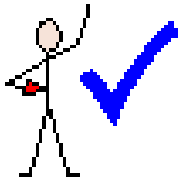


I can talk to them on video chat.

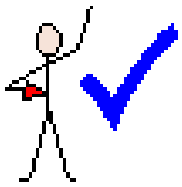


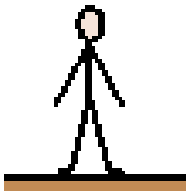


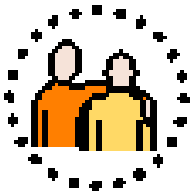
To keep people safe

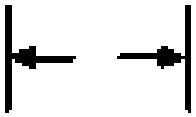


I can Wash my hands

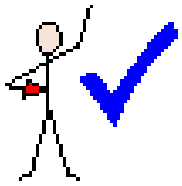


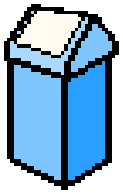




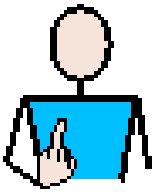


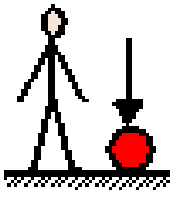
I can stand a safe difference apart





I can sneeze into a tissue and bin it





I will stay at home.
